

Business of the House

will be no. 37 in respect of the Canada Evidence Act. The fourth item to be called on Monday will be number 12 on the order paper in respect of the Veterans' Land Act.

My colleague the Minister without Portfolio, the hon. member for Saskatoon-Humboldt (Mr. Lang) will be attending the Grains Council meeting in Winnipeg and will not be available to proceed with the Prairie Grain Advance Payments Act. On Tuesday, we will call that as the first item of business. When that is completed we will consider the bill to amend the Income Tax Act and the Estate Tax Act in respect of gifts.

Mr. Bell: As a matter of information, Mr. Speaker, has the hon. member any idea as to

when the omnibus bill will again be considered?

Mr. Macdonald (Rosedale): Mr. Speaker, it would appear unlikely that we would be able to call the omnibus bill again before the week of February 17.

The Acting Speaker (Mr. Richard): It being five o'clock, this house stands adjourned until Monday next at 2 p.m. May I express the hope that you will all enjoy a pleasurable and restful weekend.

At 5.03 p.m. the house adjourned, without question put, pursuant to standing order.
