C.A. McGrath, Esq.,
Chairman, International Joint Commission,
Ottawa.

Dear Mr. McGrath:-

Thank you most sincerely for your letter of the 17th inst. with the enclosures as stated. I am taking the whole file away with me to my old home in Strathroy, Ontario, where I intend to spend Christmas week. I know I shall find time to read it carefully, and I will doubtless make some reference to it in future correspondence.

With kind wishes for Christmas
and the New Year.

Ever yours faithfully,

Erindal.
