HEAVY TRACK AT HAYRE DE GRACE

Enver Bey Wins the Aber-
deen Stakes in the Heavy
Going—Entries and
Selections.

HAYRE DE GRACE, April 28.—Scratches
due to the heavy track caused a revision
in the prospects of many of today's events

ters. Enver Bey carried off the feature,
the Aberdeen Stakes, the other Trumpe

TORONTO GOLF CLUB
COURSE IN GOOD SHAPE
A good number of the members of the
Toronto Golf Club were out at the new
grounds at Etobicoke last Saturday and
enjoyed a round over the course, which
has come through the winter without any
damage. In a short time the work on
the club house will be sufficiently ad-
vanced to enable the steward to serve
meals at any time, but for present and
until further notice only lunches and
dinner can be obtained. The first round
for the Oiler trophy will be played on
Saturday, May 10, entries for which close
and must be sent in to the secretary,

LEXINGTON, April 28.—Hawthorn, by

Judging Horses VERSUS TAILORING

Horses in the show ring are no longer judged by "snap" judgment, but by a "scale of points" which is based upon a definite standard that is recognized to be a correct measure for determining the points of an ideal horse. Deciding the merits of the horse, and making just awards under accepted standards is therefore a comparatively easy matter.

You Are Cordially Invited

to visit our big tailoring organization and inspect the lines of fabrics for Spring wear. We ask no "snap" judgment, but will be satisfied to be judged by a "scale of points" covering the highest ideals and standards of tailormaking. We want you to see the Suits at \$20, at \$25, at \$30, and \$35. Nearly 1,500 new weaves and patterns to select from. It isn't a question of price, either. You could pay twice as much as we charge, and yet not secure garments which would give the same good tailoring—the splendid-fitting garments—the wide variety of selection, and all-round satisfaction.

HORSES SELLING WELL
AT MANER'S EXCHANGE.
Despite the fact that the farmers are
busy seeding our shippers secured large
consignments of good horses for this
week's sales. The sale was conducted by
Auctioneer George Jackson and bidding
at times was very lively. Eighty per
cent of the stock changed hands and a
number of shipments were made to points
in Ontario. The sale commenced with a
consignment of horses from an eastern
point, which were all sold at the high
dollar. These were followed by the re-
gular shipments of fresh country bloods
and the usual city horses, which sold
rapidly.

A carload of bush horses from Graves,
Bigwood & Co. of Nain Centre, Ont.,
were to have been sold at yesterday's
sale, but owing to a delay in shipment
the horses did not arrive in time for
the sale and will be offered at Thursday's
auction. Some of the buyers were:

Kingston; W. Murray shipped a car load
to Pembroke; T. H. M. Hulse, Aurora; F.
Topper, Kleinberg, George M. Holby,
Stanley Mills; C. J. Whitney, Scarboro;
