"Your Suits Give the Best Wear and Satisfaction of Any I Ever Had."

This patron's voluntary testimony is eloquent proof of the durability of our Fabrics and of the satisfaction which our made-to-measure Suits afford.

Ask us to mail you post paid our collection of Winter samples for your inspection.

They represent an excellent variety of high-class British-made Tweeds, Suitings and Overcoatings, fashionable in colour, weave, and style, refined in appearance, and dependable in wear.

You may purchase lengths of any Fabrics chosen, or order Garments to be made to your measures by our expert Tailoring Staff.

Egerton Burnett's "Royal" Navy Serges

Many gentlemen have found a Navy Blue Suit to be a very useful addition to their wardrobe, and a welcome change from Tweeds. Give our "Royal" Navy Serges a trial! They wear well, look well, and are guaranteed to keep a good colour.

SUITS, as illustration, made to measure and well-tailored in reliable British Tweeds, Suitings and "Royal" Navy Serges at prices from \$14.00 to \$34.10.

Patterns, Tailoring Price Lists and Styles, Self-measurement Blanks, &c., sent to any address in the Dominion on request.

When You Catch a Chill—

Whenever cold or dampness has struck through and through your system—take a piece of THERMOGENE straight from the box and place it on the aching spot.

THERMOGENE CURATIVE WADDING

(Vandenbroeck's Process)

This light, dry, fleecy, medicated wool—so different from poultice or plaster—generates a grateful, soothing heat, the instant it is applied, that goes straight to the source of your trouble and routs it utterly.

50c. at your Druggist's

**LUMBAGO,
RHEUMATISM,
NEURALGIA,
SORE THROATS,
CHEST COLDS**—and a hundred other similar aches and pains yield to THERMOGENE. Let it help you today!

Invented by the famous Belgian chemist, Vandenbroeck. British made by The Thermogene Co., Limited, Hayward's Heath, Eng. Sales agents for Canada:
