EIGHT TO ONE ON GASOLINE ISSUE

Only McBride Opposes Resolution Permitting Approved Pumps.

Gasoline and Controller McBride are apparently not good friends, as at yes-terday's meeting of the board of works mittee the controller objecte strongly to the way "gas" was supplied to the public—on this occasion he was not referring to the manner in which the newspapers report ald-ermen's and controllers' speeches. The subject came before the committee when Commissioner Harris asked that a resolution be passed so that he could regulate the gasoline pump supply thruout the city. The resolution ran as follows:

Queen street. The committee determined to grant the request and this reversed their policy of a few minutes previous. This gave Controller McBride a chance to get in a few happy remarks on being consistent in policy.

PROCLAMATION

CHANGE OF TIME Saturday, Oct. 25th, 1919 at 12 o'clock midnight.

THOMAS L. CHURCH, Esquire, Mayor of the City of Toronto.

WHEREAS, in response to a request from the City Council. the Board of Trade, the business organizations and many other public bodies and the citizens at large, I issued a Proclamation giving effect to a daylight saving measure effective the 30th of March, 1919, the said change having been already adopted by

the Canadian railways; AND WHEREAS the various railway systems will be operated on Standard time on and after 2 a.m. on Sunday, October 26th, it is, therefore, on this and other grounds advisable and necessary that the city should also revert to Standard time;

These are therefore to request all citizens to set back their clocks and watches one hour at midnight on Saturday, the 25th of October instant.

In issuing this Proclamation I feel that reference should be made to the great advantage and pleasure which the adoption of the daylight saving plan has given to the citizens during the past summer season and to express the hope that in future years the plan will be generally adopted during the summer months throughout the Dominion.
