# POLICE CHIEF SUSPENDED.

Asks for Investigation of Alleged rregularities.

Buffalo. Jan: 8 .- Superintendent o Police William S. Bull has asked the poard of police to suspend him from auty pending an investigation into alcged irregularities in depositing with the city treasurer certain moneys. The request was granted and a new chie

request was granted and a new chief appointed pro tem. An investigation has been held show-ing that for eighteen months no dog tax or money received for issuing iten-ses to carry revolvers has been turned over to the city treasurer by the super-intendent of police, to be placed to the credit of the police pension fund, altho it should be done monthly. On Dec, 12 Bull sent \$1957 to the treasurer on ac-count of dog taxes and licenses collect-ed; two days later \$1971 was sent, and on Dec, 30 a cheque for \$9062.40 was sent.

VICTIM OF HARD LUCK. Plumber Reeves Has Had Much to Discourage Him.

ed yesterday on the stores of J. B.

ed yesterday on the stores of J. B. Reeves, the missing master plumber. Early yesterday morning the bailing came along with a writ given by the master-in-chambers to the Ontario Lead & Wire Co, for a bill of \$931.13. Soon afterwards another bailing came along with a writ issued by the James Rob-erson Cómpany for 3704.97. It is calculated that Reeves owes the plumb-ing supply firms about \$2000, and fancy grods jobbers about \$1400. Since Reeves had his split with the Master Plumbers' Association matters have gone hard with him. Since the snallwares store was opened Mrs. Reeves had taken charge of it. She fell iM and went to a hospital. Hardly had she been discharged before Reeves got an attack of typhoid fever. He was hardly out of bed a week when he was called upon to give evidence in the plumbers' trial. His business had gone to ruin and he closed the plumbing es-tablishment, using it only for a ware-room. At the conclusion of the triat the supply firms began to press him for the supply firms began to press him for the supply firms began to press him for the payment of his accounts. Busi-

DEPLORES POLITICS IN COUNCIL.

Mayor Mowat of Kingston Makes Rather Startling Announcement.

DEFENCE ON LEGAL GROUNDS

a life.

Kingston, Jan. 8 .- (Special.)-Quite a

ensation was caused at the first meeting of the city council this morning,

ing of the city council ting instituting, when Mayor Mowat, who has been for years credited as the master in control of the Liberal machine, deplored the di-vision in the council along party lines. urged that the aldermen be seated around the "horseshoe." according to the order of the initial letters of their surmers, and that in the appoint-

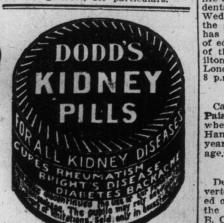

tem that arrangements have been

made for the adoption of electric traction in the St. Clair Tunnel, the contion in the St. Clair Tunnel, the con-tract for which has been awarded to the Westinghouse Electric and Manu-facturing Co., the work to be started at once and brought to completion as quickly as possible. The system that will be adopted is known as the al-ternaiting current system, with over-head conductors—the conductors in the interior of the tunnel being placed up-on the walls and in the railway, yards head conductors—the conductors in the interior of the tunnel being placed up-on the walls and in the railway yards they will be supported by steel bridges. The trains will be operated by alter-thating current locomotives, capable of hauling a passenger train on the grade at the rate of 20 to 25 miles an hour, and a freight train of 1000 tons at the rate of ten miles an hour. The in-terior of the tunnel and the yards on both the United States and Canada sides of the St. Clair River will be lighted by electricity from the power that will be generated in the extensivs power house that it will be necessary to erect. The length of the tunnel proper is 6025 feet and of the open por-tals or approaches 5603 feet additional, or more than two miles in all, one of the longest submarine tunnels in the world. It is a continuous iron tube, 19 feet 10 inches in diameter, put to-gether in sections as the work of bor-ing proceeded, and firmly boltod to-gregating 56,000,000 pounds. The work was commenced in September, 1898, and it was opened for freight traffic was commenced in September, 1898, and it was opened for freight traffic in October, 1891, a little more than three years being required for its completion. Passenger trains began running through it Dec. 7, 1891. It cost \$2,700,000.

Mexico Trip. January 29th.

District Passenger Agent McDonald of the Grand Trunk received advice from Reau Campbell, General Manager American Tourist Association, that his party was now about completed. It will be necessary for anyone wishing to be the Compliant section in the received o join the Canadian section in through Pullmans to decide early, as only a few more can be taken. The trip is the only one taking in all points of in-terest in Mexico. Mr. Campbell has A Quest

The number of immigrant arrivals in Ontario during 1905 was 28.326 men, women and children. The figures for 1904 showed 18.921 persons, so that 1905 exceeds the previous year by 9405 immi-grants. The figures for last year are: Janu-ary, 486; February, 730; March. 2568; April, 5211: May, 5711; June, 3383; July, The Tired Brain, The Wasted Strength.

What a multitude of women there are who feel that these words exactly suit their case. From early morn until late at night they have been on the go, year in and year out, attending to the daily household duties, looking after the wants of her children and spending the rest of her time attending to social and church work. Is it any wonder then that sooner or later there comes a general collapse? The action of the heart becomes weak and palpitating, the nerves become unstrung, the brain feels in a whirl half the time and the usual force of vitality is lacking.

in a whirl half the time and the usual force of vitality is lacking. It is at this time a woman should look after herself. If she does not, serious female disorders may set in and often cause weary months and years of helplessness and miserable suffering. What she wants is something to build up her system. For this purpose there is nothing to equal
