Bylaw Invalid Because Advertised Fiv : Drys Too Soon.

Chief Justice Meredith yesterday quashed the local option bylaw passed by the Township of Mono on Jan. 7. The local option passed by 479 to 240, the bylaw was invalid by reason of the fact that it was advertised five days too soon.

SHOULD ISSUE POWER-OFF

CHECKS. Editor World: Is it fair for the public to pay for a ride they do not get?
A person gets on a car, and he may

have five miles to go to work. He pays fits fare and goes maybe a block, when the power goes off, and then he is obliged to get out and walk the remainder of the distance. Don't you thing we could have some such system as they have in the ball grounds with their rain checks?
