(REPRODUCED FROM YESTERDAY'S GLOBE.)

THE AQUEDUCT AGREEMENT

Considered by the Fire and Light Committee Yesterday Afternoon.

A Deposit Demanded of $50,000 With the City Treasurer—Tenders to be Advertised for for Six Months—Alien Labor Prohibited—Fire and Light Estimates.

The Fire and Light Committee yesterday afternoon ratified, with certain amendments, an agreement drawn up by aqueduct promoters whereby Council will be asked to advertise immediately for tenders for the supply of electric power. Providing no cheaper offer shall be submitted than the 6 mills per electrical horse-power per hour offered by the Aqueduct Company, the city would bind itself to enter into a contract with the company to take power at that price.

The preamble to the agreement as adopted provides that the tenders be advertised for for 6 months on the specifications provided for last year's Council by the City Engineer. The document as it had been drawn up originally provided for two months advertising, but Ald. Dunn thought that by waiting a longer period more up-to-date methods of transmission might be taken advantage of to secure lower tenders, and the six months clause was adopted.

A Deposit of $50,000.

The document was also altered to provide that instead of requiring a deposit of $50,000 from the Aqueduct Company with the City Treasurer, or Toronto General Trusts Company, to be paid out in wages within one year from the execution of the contract, the $50,000 should be deposited with the City Treasurer to be forfeited in case of its non-fulfilment.

Clause 1 reads: The company to supply the corporation with electric energy for corporate uses and for sale and distribution to private and other consumers.

A rider was added to prevent such energy being supplied to any private consumer without the city's consent.

Clause 2 provides that when the contract shall expire Dec. 31, 1805, the city may renew it.

Clauses 3, 4, 5 and 6 dealt with delivery of energy. Ald. Hubbard raised the objection that the committee knew nothing of the loss in transmission or of what transmission would cost. The four clauses were left over pending a report from the chairman and City Engineer.

Fixing the Price.

Clause 7 fixed the prices to be charged: Six mills per horse-power per hour for power for streets, as well as buildings, residences, street railways and water works. An optional clause was added whereby the company agree to distribute the power themselves at a cost of 8 mills per horse-power per hour. If delivered on the city's wires the company offer to supply power at the city's limits at ½ cent.

Ald. Dunn objected to the clause giving the company the monopoly of the city's patronage during the contract period. At his recommendation a rider will be added to prevent the city at any time being debarred from installing a civic plant. A rider was added to the clauses providing for the employment of certain numbers of men before approved periods was also amended to make the engagement of alien labor prohibitory.

The whole will be submitted for the approval of the City Engineer before presentation to Council.

Fire and Light Estimates.

Secretary McGowan's compilation of estimates for fire protection and lighting expenses for 1898 will be considered by committee at the next meeting. The total appropriation asked for both for fire and lighting purposes is $319,863.70. Last year there was granted $301,378 and expended $306,885.39.

The estimate is detailed as follows:

	Approp. for 1897.	Expended. In 1897.	Estimate for 1898.
Fire Depart. Salaries ...	$109,665	$107,805.39	$116,927.00
Uniform Clothing	6,824	6,934.00	6,132.70
Supplies and repairs ...	6,500	7,284.00	8,320.00
Horses and their keep .	6,000	6,086.00	6,900.00
Fuel and gas supply ...	2,700	3,828.00	3,400.00
Water supply	60,507	60,512.00	61,215.00
New plant ..	5,320	11,448.00	9,211.00
Totals ...	$197,416	$203,897.39	$212,105.70
Street lighting: Gas and Lamps	$24,074	$23,619.00	$24,004.00
both lamps	77,611	77,129.00	$1,335.00
Electric lights	2,277	2,240.00	2,320.00
Park lighting			
Total	$103,962	$102,988.00	$107,758.00

THE HARBOR BOARD.

Meeting of the New Commissioners—Queen's Wharf to be Repaired.

The inaugural meeting of the new Board of Harbor Commissioners was held yesterday. There were present: A. B. Lee, W. A. Geddes, Ald. J. J. Graham and Ald. Hallan. Mr. Lee was re-elected chairman.

It was decided to repair several of the dilapidated portions of Queen's Wharf, at a cost of $1000.

The Astronomy of 1897.

A popular review of the progress of astronomical science during the past year will be the subject of an address to be delivered by Mr. John A. Paterson, M.A., at an open meeting of the Astronomical and Physical Society in the theatre of the Normal school to-morrow evening. The President-elect, Mr. Arthur Harvey, F.R.S.C., will occupy the chair. Friends of the society are cordially invited to attend.

One of the greatest blessings to parents is Mother Graves' Worm Exterminator. It effectually expels worms and gives health in a marvelous manner to the little one. 66

SOME OTTAWA NOTES.

No Special Legislation Will be Necessary in Connection With the Proposed Naval Force—Personal Items.

Ottawa, Feb. 1.—(Special.)—At the Militia Department it is stated that Major Ibbotson will be gazetted to command the Fifth Royal Scots as soon as he has taken his course of education. Major Ibbotson is not kicking about the matter. He recognizes that the regulations of the Militia Department must be adhered to. Officials of the department state that no exceptions can be made in favor of any officer, as if once a precedent is created there will be no end to this kind of thing.

The Proposed Naval Force.

No special legislation will be required for the establishment of a naval force in Canada. The Act governing the Department of Militia and Defence provides for a marine force, and all that is required is for the Government to give effect to this portion of the Act. It is likely, however, that the new force will be placed in charge of Sir Louis Davies, as he is to father the project in Parliament.

The Truro Boy Murderer.

The Minister of Justice is considering the case of Lyman Dart, who is lying under sentence of death in Truro. Counsel for Dart has asked to present evidence showing that the shot which killed was an accidental one. Dart is only a boy of 17, and was found guilty of killing an Assyrian pack man. It is thought he had no malicious intent or grudge at the poor unfortunate fellow.

Personal and General Notes.

It is now stated on authority that junior clerks in the civil service, that is, those who are receiving small salaries, will get an increase during this year.

Mr. J. P. Whitney, leader of the Ontario Opposition, speaks here on Wednesday night.

Sir Oliver Mowat is expected to attend the opening of Parliament.

Lieut.-Col. W. B. Hodgins of the Ottawa Guards has been appointed an A.D.C. to the Governor-General.

F. L. Jones, Chief Preventive Officer of Customs, has returned to town. Mr. Jones has been doing exceptionally good work in Cape Breton, having dropped onto a big nest of whiskey smugglers.

Plans for the Interprovincial Railway and traffic bridge at Ottawa were deposited with the Department of Railways and Canals to-day. The Railway Committee of the Privy Council will meet on Feb. 10 to consider them. Five thousand dollars has to be spent on the structure before March 15 in order to earn the Ottawa city bonus of $15,000.

Commander Spain, who has been to Halifax to see what repairs are needed to the fishery protection cruisers, has returned.

Captain Bloomfield Douglas, R.N.R., who was appointed commissioner to investigate the charges of partisan conduct preferred against Government officials in the Maritime Provinces, has completed his work.

Fifty Years Ago.

This is the way it was bound to look
When grandfather had his "picter took."
These were the shadows cast before
The coming of Conjurer Daguerre
And his art; like a girl in a pinafore
Some day to bloom to a goddess fair.
Men certainly were not as black, we know
As they pictured them, 50 years ago.

Ayer's Sarsaparilla

began to make new men, just as the new pictures of men began to be made. Thousands of people fronted the camera with skins made clean from blotch and blemish, because they had purified the blood with Ayer's Sarsaparilla. It is as powerful now as then. Its record proves it. Others imitate the remedy; they can't imitate the record:

50 Years of Cures.

ALFRED THOMAS COMMITTED

Must Stand Trial for Attempting to Kill His Wife on Jan. 10.

Mrs. Thomas is Still in the Hospital With One Bullet in Her Body—Where Perjury is Rife—Another Case of Domestic Infelicity—Minor Police Court Cases.

Alfred Thomas, the colored man who attempted to kill his wife at 203 York-street on Monday, Jan. 10, was yesterday committed for trial at the Assizes next month. Evidence was given by Mrs. Daveney, in whose house the shooting occurred; Joseph Finkelstein, a second-hand dealer, who sold Thomas the revolver; Vernon J. Dorsey, who had heard Thomas say he was going to do some shooting, and Malcolm Hall, the druggist at Queen and York-streets, who said that Mrs. Thomas had staggered into his store and exclaimed that she was shot. He advised her to go home and get a doctor.

"And the woman had two bullets in her!" said the Magistrate.

"Well, I didn't know it," replied Hall.

"And you say that you and your assistant didn't force her out of the store?" enquired the Crown Attorney.

"No, I did not," answered Hall.

"Well, the people who were there and saw what happened say you did," said Mr. Curry.

"The woman was shot and ran into your place for protection and you offered no assistance," added the Magistrate.

"Well, I offered to telephone for a doctor," replied Hall.

"And the woman was shot!" repeated the Magistrate, looking at the druggist curiously.

Dr. Garratt gave some medical evidence as to the location of the bullet wounds. They would have been rapidly fatal if an operation had not been performed immediately.

Mrs. Thomas is still in St. Michael's Hospital. One bullet yet remains in her body.

Where Perjury is Rife.

Lawrence Enright, charged with perjury in a Division Court case, was further remanded for a week, the Magistrate remarking that there would be lots of business for the Police Court if it had to dispose of all the perjury cases arising out of the Division Court.

Domestic Infelicity.

Mrs. Charles Smith, 69 Edward-street, got an order of separation from her husband. The couple are deaf mutes and the case was conducted through an interpreter.

George Brookmeyer, the sandwich man, who is wanted for assaulting his wife, seems to have left town, and everyone appears just as glad. The charge against Mrs. Brookmeyer for neglect of her offspring was withdrawn. The children are in the Sick Children's Hospital.

For Leaving Quarantined Premises.

Mrs. Ada Barton, 36 Barton-avenue, allowed her little sister, Florence Townsend, to go to St. Alban's Church while her house was under quarantine for scarlet fever. She was fined $1 and costs for breach of the Public Health Act.

Minor Cases.

Robert McKenzie, a vagrant youth, who the police think is better in jail than out, was sent down for 60 days.

Duncan Sinclair was convicted of disorderliness in the Toronto Opera House and was allowed to go on suspended sentence.

John Firman, who has half a dozen convictions for indecency, was again in court and was remanded till Friday.

Excellent Service of Praise.

Bloor-street Presbyterian Church was crowded Monday evening to hear a service of praise, which was excellent in every respect. The choir of this church has given many successful entertainments, but that of last night was not surpassed by any. Among those who assisted the choir were: Mrs. Mackelcan, Miss Beverley Robinson, Miss Pugsley, Mr. Courtice Brown and Mr. A. E. I. Jackson. Mr. H. M. Blight led the choir, and Mrs. Blight presided at the organ.

Boy Badly Frozen.

A lad named George Reynolds, who lives at 94 Robert-street, was found in an unconscious condition outside Harbord Collegiate Institute yesterday morning. He was badly frozen. Dr. Mennie attended him and sent him home.

TORONTO.

GENTLEMEN,—From my experience thus far with Dr. Ward's Blood and Nerve Pills I feel that you are to be congratulated for bringing before the public a pill that has no equal for biliousness and sick headache. I have tried a great many remedies with no apparent benefit. Picking up one of your pamphlets, which was thrown in at my front door, and reading testimonials of people who had been cured, I resolved to try them myself, and after using them for a short time I found that they suited my case exactly. They not only helped me but cured me, and I consider that all women who are troubled with biliousness or sick headache should try them. (Sgd.)
MRS. J. McKNIFF, 113 D'Arcy St., Toronto.

HAMILTON.

GENTLEMEN,—I have been a great sufferer from nervous dyspepsia, with the usual symptoms of stomach weakness, loss of appetite and flesh, accumulation of gas, sour risings, and heartburn. I used various patent medicines and other remedies without any favorable results. They would give temporary relief sometimes until the effects of the medicine wore off, but Dr. Ward's Blood and Nerve Pills overcame all these obstacles. I am better in every way now and have gained several pounds in weight.
ROBERT McTAVISH,
Ardvorlick and Dundurn Sts. ..... Hamilton.

LONDON.

DEAR SIRS,—It affords me great pleasure to say a word in favor of your splendid remedy called Dr. Ward's Blood and Nerve Pills. I can now get sound sleep and rest, which I have not had for months before, the cause being general debility. Your pills keep my bowels well regulated and they seemed to hit the spot where the other so-called remedies failed. They have done more for me than any other pill that I have taken. The effects have been phenomenal, and I can go to my work with pleasure, while before it was a drudge.
F. J. MERRILL, Campbell St., London.

ST. THOMAS.

DEAR SIRS,—Dr. Ward's Blood and Nerve Pills have done my wife a great deal of good and I consider it only right to bring the fact to the attention of others. Up to about three months ago she had been a great sufferer from nervous debility and sick headache, in consequence of a severe attack of influenza, which left her almost a total wreck and she lost over twelve pounds in weight. She got so nervous that the least excitement would make her heart flutter so that she could hardly breathe. A friend gave her two boxes of Dr. Ward's Pills and after using them for some time she was entirely cured.
THOS. H. PASSMORE, St. Thomas, Ont.

WOODSTOCK.

GENTLEMEN,—I am happy to write to you to inform you of the good Dr. Ward's Blood and Nerve Pills have done my wife and myself. I used them for dyspepsia and liver troubles and found that nothing helped and relieved me so quickly as they did. I have felt splendid ever since taking them. My wife was a sufferer from stomach troubles for some time and had a nasty taste in her mouth, but since taking Dr. Ward's Blood and Nerve Pills she has never felt better than at present. Both my wife and myself cannot speak too highly of them.
ALEXANDER SUTHERLAND,
Reeve St., Woodstock.

STRATFORD.

GENTLEMEN,—Dr. Ward's Blood and Nerve Pills are the most effective restorative for impaired digestion and general debility. I had occasion to use them some time ago, being very delicate from having had diphtheria some four or five months previously. On the recommendation of a lady friend I got two boxes and in a very short time noticed a decided improvement in my appetite. By the time that I had used the second box I felt fully recovered, for which I am thankful. I freely recommend Dr. Ward's Pills to others.
MRS. LIZZIE TAYLOR,
Strachan St., Stratford.

GUELPH.

DEAR SIRS,—Allow me to testify to the wonderful effects of Dr Ward's Blood and Nerve Pills. I have for a long time been troubled with a low and depressed state of vitality, complete lack of confidence, depression of spirits and a worried brain, culminating in a general breakdown of the system. After having used, without any effect, many other remedies, I was counselled to use your Blood and Nerve Pills. I did so and in consequence am not only restored to health but have increased in weight. In conclusion I would advise all those suffering from a deranged system to give Dr. Ward's Blood and Nerve Pills a trial.
H. B. WILLIAMS, Guelph.
