Mr. Rust Has a New Plan of Septic Appeals in Ward 4.

morning from Champlain, Ill. During his stay he took the opportunity of looking there, and thinks that it could be adopted large air-tight tanks, and allowed to settle, after which it is run into another tans, and the affluent flows into a small river. The system, Mr. Rust adds, is very simple and worth experimenting with.

Naco, Mexico, yesterday a fight started were killed and one seriously wounded. An American named Ryan was nstantly killed and a Bisbee miner was shot through the leg. The fight resulted from a row on the Mexican side of the line between Americans and Mexicans.

The guards attempted to arrest the Americans, who retreated toward the line. Just before they reached the line the guards opened fire, which was promptly returned. A lively battle occurred, lasting 15 minutes. Over 50 shots were exchanged. Cowboys from this side rushed to the aid of their friends and opened fire across the line. Dan Burgess, a bystander, was shot in the leg, and Ryan, a freighter, was riddled with builets. Montgomery, who was with Ryan, is missing. One cowboy, Joe Rhodes, was arrested and jailed on the Mexican side of the line. Excitement is intense, and a posse is forming to rescue shot through the leg. The fight resulted

PARRY SOUND DISTRICT. ed From Development on Some of the Properties.

Mr. Robert Forbes, general manager of the Parry Sound Copper Mining Company and the Imperial Copper Mining Company,

was a visitor on the Standard Mining Exchange to-day. He spoke to the members of the results of the development being done on some of the properties in the Parry Sound district.

Mr. Forbes said: "On the McGown property we are now down about 120 feet on the incline. We have placed a steam hoist and steam drill on this property, and are pushing the work as fast as can be done. The results are more than favorable. We are now in fine pay rock, and everything is looking favorable. Our stamp mill will be completed this week, and we expect to be crushing ore by next week if the tramway is completed from the dump to the nill. We have been doing some prospectiag work over the adjoining properties, which show a continuous mineral zone clear through to the Imperial property, known as the McMillan claim. There can be little question but that property is as good as the McCorrect. but that property is as good as the Mo

The Demon Dyspepsia—In olden times It was a popular belief that demons moved invisibly through the ambient air seeking to enter into men and trouble them. At the present day the demon, dyspepsia, is at large in the same way, seeking habitation in those who by careless or nuwise living invite him. And once he enters a man it is difficult to dislodge him. He that finds himself so possessed should know that a vallant friend to do battle for him with the unseen foe is Parmelee's Vegetable Pills, which are ever ready for the trial.
