Notes by Cable.

Consols declined 1-16 in London to-day.

In London the market for American securities closed strong and active on curb, caused principally by the closing out of bear accounts in view of the settlements to-morrow. International issues were weak on Continental selling. The Paris bourse was irregular and the Berlin bourse firm.

The amount of bullion taken out of the Bank of England on balance to-day was £50,000.

Spanish Fours closed at 71⅝ in London.

In Bremen, petroleum 7 marks 30 pfennigs. In Antwerp, petroleum 12f paid and sellers.

In Paris, 3 per cent. rentes, 100f 5c for the account. Exchange on London, 25f 14½c for cheques.

Spanish Fours closed 72.35 in Paris.

The weekly statement of the Imperial Bank of Germany issued to-day shows the following changes:

	Marks.
Cash in hand, decreased	1,420,000
Treasury notes, decreased	180,000
Other securities, increased	30,250,000
Notes in circulation, increased	21,240,000

On Wall Street.

To-day's rally in prices of stocks was very clearly due to covering operations by the bears who sold stocks last week while the forced liquidation was going on. The bears had a good success for a time in the most prominent industrials, notably Sugar, Tobacco, People's Gas and Brooklyn Transit. But the general list failed to respond as readily as yesterday to the weakness in these special stocks. The declines in the specialties were mostly wiped out, and Brooklyn Transit and People's Gas were lifted a point over last night. The cut in the price of steel rails has not led to large buying, so far as known, and railroad officials express dissatisfaction that the price was not placed lower. Wall-street is on the alert also for a settlement of the coal strike, but there was nothing to show the imminence of any such event outside the fears felt by the bears. The currency movement to the interior is very large, and the sub-Treasury is absorbing considerable sums from the money market. A sharp fall in sterling was a reminder that New York still dominates the international exchanges, the stiffness of the London money market proving unavailing to check the decline in sterling in New York.

J. J. Dixon has the following this evening from Ladenburg, Thalmann & Co., New York:

There was some animation in the stock market in the first hour this morning, but after 12 o'clock trading was limited in volume, and in general list price changes were unimportant. The strength of the market appeared to be due principally to the size of the short interest, tho some of the traders were disposed to buy on the theory that a rally was due. The situation in the anthracite region, as far as known here, seemed to show little change. T. C. I. was again a weak feature, tho it rallied from the low point, and the belief gains ground that the dividend will be reduced or passed altogether. B.R.T., Sugar and P. O. were prominent in the trading. London bought some stocks. Demand sterling 4.86½.

Sub-Treasury statement shows banks lost since Friday $2,925,000.

Railway Earnings.

During the third week in September St. Paul earnings increased $17,771, Wabash increased $45,000 and Mexican Central increased $90,621.

Earnings of Southern Railway for August: Gross increase, $123,576; net increase, $31,-833.

The Money Markets.

The local money market is steady. Money on call, 5 per cent.

The Bank of England discount rate is 4 per cent. Open market discount rate, 4 per cent.

Money on call in New York at 1¾ to 2 per cent.

S. Ackerman, commercial traveler, Belleville, writes: "Some years ago I used Dr. Thomas' Eclectric Oil for Inflammatory Rheumatism, and three bottleseffected a complete cure. I was the whole of one summer unable to move without crutches, and every movement caused excruciating pains. I am now out on the road and exposed to all kinds of weather, but have never been troubled with rheumatism since. I, however, keep a bottle of Dr. Thomas' Oil on hand, and I always recommend it to others, as it did so much for me. ed

TORONTO FRUIT MARKET.

The wholesale fruit market, after a short respite, presents to-day a fairly normal appearance, large receipts and a moderately active market. Receipts to-day would total fully 8000 packages, the bulk of this arriving by rail. Peaches were well represented on the market this afternoon, and sold readily at fair prices. On the wholesale market to-day this variety of fruit ranged in price from 20c to 75c per basket, truly a wide range, which does not accurately represent the relative value of this fruit as indicated by these prices. While the lowest quotations are fairly good stock, the highest-named figures represent the very finest productions of the fruit-growers; large, beautifully colored and of excellent flavor. The bulk of fruit on the market to-day might fairly be classed as medium, and from 40c to 50c per basket would accurately represent the average quotations. Apples are not arriving any too freely; in fact, they are noticeable by their absence, and, while great quantities doubtless reach the city thru other avenues than by way of Scott-street, it is safe to say that here at least there is no congestion. We quote: Pears, 10 to 20c per basket; tomatoes, 10c to 20c; cucumbers, 10c to 15c; apples, 10c to 20c; choice, per bbl., $1 to $1.50; green corn, 3c to 5c per doz.; potatoes, 30c to 35c per bush.; peaches, common, 15c to 25c; better grades, 35c to 40c; extra fancy, 50c to 75c; plums, 30c to 40c; muskmelons, 10c to 15c per basket; and 30c to 40c per case; celery, 20c to 40c per doz.; huckleberries, 85c to 90c per basket; grapes, small basket, 12½c to 15c; per basket, Niagaras, 12½c to 20c; Moore Early, 12½c to 20c; red grapes, 15c to 25c; egg plant, 20c to 25c per basket; sweet potatoes, $4 to $4.50 per bbl.; per basket, 50c; bananas, $1.25 to $2 per bunch.

Big Opening for Canadian Poultry.

Messrs. King, Darrell & Co. of this city, dealers in poultry, have made a contract in Buffalo for the delivery of 40,000 lbs. of chickens during the present season. This firm purchased 15 carloads in the same market last year.

Mr. Darrell informed The World that he is unable to fill his contracts in the English markets from Canada, as Canadian farmers are away behind our American cousins in poultry-raising.

Ald. Ruddin of Liverpool, England, was in the city last week prepared to make a contract for 1,000,000 lbs. of chicken for the British markets; but, as he was unable to do so, he has made arrangements for the same in Chicago, St. Louis and Buffalo.

New York Produce Market

New York, Sept. 25.—Flour—Receipts, 39,-885 barrels; exports, 11,657 barrels; sales, 8100 packages; market was weaker and shaded in some instances to get more in line with buyers, owing to the further drop in wheat; winter straights, $3.50 to $3.65; Minnesota patents, $4.15 to $4.60; Minnesota bakers, $2.85 to $3.35.

Rye Flour—Quiet; sales, 300 barrels; fair to good, $3.10 to $3.30; choice to fancy, $3.35 to $3.70.

Options developed a good deal of weakness to-day, being influenced by liquidations. Bulls were discouraged over the sharp drop in northwest markets, notwithstanding more rain, and by liberal receipts at primary points. The decline invited so much short selling, however, that a late Broomhall cable reporting serious conditions in Southwest Russia alarmed shorts and lead to a quick rally. Just at the close renewed selling broke out on a correction in world's stocks and the market left off weak, at 1⅛c to 1⅜c net loss. Sales included No. 2 red, March 86⅝c to 87⅜c, closed 86⅜c; May, 85⅞c to 86¾c, closed 86c; Sept., 81¼c to 82⅝c, closed 81⅜c; Oct., 81⅜c to 82⅛c, closed 81⅝c; Dec., 83½c to 84⅝c, closed 83½c. Options active and irregular. On the pronounced strength of cash corn, owing to scarcity, near months advanced decidedly, while late deliveries were inclined to drag; closed irregular, with September ¼c higher, and Dec. ¼c net lower; May, 41¼c to 41⅝c, closed 41¼c; Sept., 49½c to 50c, closed 49¾c; Oct., 45½c to 46c, closed 46c; Dec., 41⅝c to 42c, closed 41½c. The market for coffee futures opened steady in tone, with prices 5 points lower, under adverse European and Brazilian cables, with receipts very heavy. The market rallied later, on covering, while the undertone remained weak in the absence of public speculative support and satisfactory spot demand. The close was steady, with prices five lower to ten points higher. Total sales, 97,750 bags, including Sept., $6.90 to $6.95; Oct., $6.90; Nov., $7 to $7.05; Dec., $7.05 to $7.10; March, $7.30 to $7.35; May, $7.40 to $7.45, and July, $7.45.

Chicago Gossip.

J. J. Dixon has the following this evening from Chicago:

Wheat was very weak during early part of the day, rallying moderately near the close, but finishing lower than yesterday. There was a sudden beginning of liquidation, which came on a market already well supplied. Tho there was a recovery, due in part to the sales here of 39,000 bushels cash wheat and at the seaboard and also to a natural reaction after such a slump, it looked very much as the October liquidation had begun.

Corn has ruled dull but slow, closing a fraction over last night; fluctuations were narrow, barely ⅜c. Local arrivals 470 cars, 205 under estimate; 670 estimated for to-morrow. Shippers and crowd bought. Elevator people sold. Commission houses were also moderate sellers of December and May. Shipping demand only fair, with prices off at about ½c. Seaboard reports some demand for export. Trade rather small and mostly of local character.

Oats—The oats market was fairly active, but mostly of a changing nature, causing a rather weak market, prices closing about ¼c to ⅜c under yesterday. Local arrivals were small, 215 cars, against 355 estimated; 250 estimated for to-morrow.

Provisions opened a shade easier, on 4000 more hogs than expected, and afterwards ruled strong and higher on buying of December lard and January ribs by John Cudahy's brokers. Cash demand continues good. Market closes steady near top prices of the day. Thirty thousand hogs estimated for to-morrow.

LOCAL LIVE STOCK.

Receipts of live stock at the stock yards were 48 car loads, consisting of 788 cattle, 653 hogs, 681 sheep and lambs and 25 calves.

The quality of fat cattle was about the same as it has been for the past month, only medium, few first-class, well-finished animals of either butchers or exporters being brought forward.

Trade in fat cattle was slow all round, but exceedingly dull for shipping cattle. There are few shippers coming forward, but more than are wanted, as several loads here since last Tuesday are still unsold.

Prices for exporters were again lower, there being no five-cent cattle on the market. Medium to common butchers' cattle were also easier.

The deliveries of lambs, being large, caused prices to drop, and the bulk went at about $3.75 per cwt.

In all other classes quotations remained the same as on Friday last.

Export Cattle—Choice lots of export cattle sold at $4.60 to $4.80 per cwt., while lights sold at $4 to $4.50.

Bulls—Heavy export bulls sold at $4.12½ to $4.25 per cwt., while light export bulls sold at $3.12½ to $3.35, and not wanted.

The bulk of exporters sold at $4.65 to $4.90 per cwt.

Loads of good butchers and exporters, mixed, sold at $4.25 to $4.37½.

Butchers' Cattle—Choice picked lots of butchers' cattle, equal in quality to the best exporters, weighing 1000 to 1100 lbs. each, sold at $4.40 to $4.60.

Loads of good butchers' cattle sold at $4.00 to $4.25, and medium butchers', mixed cows, heifers and steers, $3.50 to $3.75 per cwt.

Common butchers' cows (grassers), $3 to $3.25; while inferior rough cows and bulls sold at $2.50 to $2.75 per cwt.

Heavy Feeders—A few of this class are coming forward, and steers with good breeding qualities, weighing from 1000 to 1150 lbs. each, are worth from $3.60 to $4 per cwt.

Light feeders—Steers weighing from 700 to 900 lbs., sold at $3.25 to $3.35.

Buffalo Stockers—Yearling steers, 500 to 600 lbs. in weight, sold at $2.25 to $3.00 per cwt., while heifers and black and white steers of the same weight sold at $2 to $2.25 per cwt.

Milch Cows—Sixteen milch cows and springers sold at $30 to $50 each.

Calves—Twenty calves sold at from $3 to $8.

Sheep—Deliveries, 681; prices steady at $3.50 to $3.75 for ewes and $2.75 to $3 per cwt. for bucks.

Spring Lambs—Spring lambs sold from $2.50 to $3.50 and $3.75 to $4.12½ per cwt.

Hogs—Deliveries, 653; best select bacon hogs, not less than 160 nor more than 200 lbs. each, unfed and unwatered, off cars, sold at $6.25; thick fats at $5.50, and lights at $5.50 per cwt.

Unculled car lots of hogs sold at $6 to $6.20 per cwt.

Crawford & Hunnisett sold 1 load of as good exporters as there were sold to-day, 1280 lbs. each, at $4.80, and one load, 1225 lbs. each, at $4.60 per cwt., less $10 on the lot. These cattle were bought a short time after delivery, therefore they were comparatively empty.

Dunn Bros. bought 10 feeders, 1070 lbs. each, at $3.80 per cwt., 8 feeding bulls, 1100 to 1400 lbs. each, at $3 to $3.30 per cwt.

Halligan & Lunness bought 25 feeders at $2.75 to $3.25 per cwt. for bulls, and $3.50 to $3.75 per cwt. for steers.

The Demon Dyspepsia—In olden times it was a popular belief that demons moved invisibly through the ambient air seeking to enter into men and trouble them. At the present day the demon, dyspepsia, is at large in the same way, seeking habitation in those who by careless or unwise living invite him. And once he enters a man it is difficult to dislodge him. He that finds himself so disposed should know that a valiant friend to do battle for him with the unseen foe isParmelee's Vegetable Pills, which are ever ready for the trial. ed
