BURNS HIMSELF IN BARN

Prominent Prince Edward County Farmer Takes His Life After Notifying Friend by Letter.

Picton, July 20 .- A very tragic affair occurred near Wellington, when Ira Chadsey, a farmer who resided just above the village, was found cremated n a barn in the rear of his farm.

Some of the neighbors saw the barn burning about 6 o'clock in the morning, and on going to Mr. Chadsey's house could not find anything of him. Upon investigation a letter was found stat- Galt, July 20.—(Special.)—An ading that he intended to take his final journed meeting of representatives of

has not been considered mentally sound on all subjects.

The following letter, written by the deceased, was found in Mr. Chadsey's house, which led to the finding of some bones, supposed to be those of his remains, in the basement of the burned barn on his farm.

"G. W. Hunt, Very Dear Sir,—It is now between II and 12 o'clock, and I have to go to the rear and return with the buggy. Have some work to do to finish readiness for my exit, then walk back to the rear barn, which has long been prepared for my cremation.

"I have no faltering feelings as yet, and have hopes that I will have none to the last moment. After the fire is well started, I hope to lodge a revo verball in my brain, which I hope will lessen my pains of death. If not, it will not take long to cease suffering As to the present, I have no faltering feelings. My whole sorrow is that you must be badly disappointed in the state of my writings, but I have done the best that I could, as the pickpocket of my writings, but I have done the steel rall mill has all the business it best that I could, as the pickpocket can attend to, and the business in said to me, "that is the best any man sight is most encouraging.
