TERRITORIAL DISPUTES TO BE LEFT FOR ADJUSTMENT TO LEAGUE OF NATIONS

Claims of Japanese and Chine se to Tsing-Tao and Disagreement Between Italy and Jugo-Slavia Will Come Before World Socie y.

Paris, Jan. 31.—No official statement of the details of the "compromise plan" for the Government of the former German colonies by mandatories has been made, but it is understood that the use of the word "colonies" in official statements does not limit the scope of the plan to former German territory. It may also apply to such territories as Mesopotamia, Armenia and Palestine.

Chinese and Japanese claims to Tsing-Tao, it is understood, will be left for adjustment to the league of nations, and it is also believed that the same

There the temperature often drops, in January and February, to 40 degrees below zero, but there are points in Canada of which the same may be said. Coast dwellers declare that they prefer the dry, still air of Omsk to the January winds on the coast. Canadians who have been in the interior report that their winter kits are quite sufficient protection against the cold.
