

The Treasurer's statement, which has been printed and distributed, gives full particulars of the amounts received and disbursed during the year, and is appended.

Respectfully submitted.

HENRY LYMAN,

President.

REPORT OF LADIES' AID SOCIETY.

In presenting our Sixth Annual Report, we would give devout ascriptions of praise to our Heavenly Father, for having led us so gently through the past year, and for the measure of success which has crowned our efforts. None of our number has been removed by death, and our deliberations have been marked only by harmony and good-will.

As in the previous years of the existence of the Society, our efforts have been directed mainly toward the reduction of the Church-debt and Dorcas-work.

We were kindly aided by the Young People's Association, who gave a Jubilee Concert last March, under the efficient direction of Mrs. Brown and Miss Wilkes, from which, the net sum of \$74.00 was raised.

It having been decided to hold a Bazaar, the efforts of the Ladies through the Fall, were directed mainly to the furtherance of that object. Working-meetings were held in the Church Parlor, every Tuesday afternoon, from September till December. The net proceeds of the Sale, which was held December 4th and 5th, were \$660.00.

The appeal for donations of money and materials for Dorcas-work, was met with a promptness and liberality most cheering to those who had the matter in charge, and most creditable to many of our number, whom God has made stewards of his loving bounty.

That we might act intelligently, in sending our customary offerings to the families of country ministers, the Rev. Mr. Hall was asked to report any cases that had come under his observation, especially needing assistance. In accordance with his suggestion, two boxes of wearing-apparel and materials, valued at fifty dollars each, have been sent to the families of Rev. W. Smith of New Market, Ont., and Rev. A. James of Eaton, Quebec. Kind letters from our President containing five dollars to each Pastor, accompanied the boxes. Could all those who contributed to this purpose, have heard the loving and grateful letters of acknowledge-
