

THE  
**MAUD "S." CONDITION POWDERS**  
 FOR  
**Horses, Cattle, Sheep,  
 PIGS AND POULTRY.**

**MAUD "S."**

This celebrated animal, until lately owned by Mr. Wm. H. Vanderbilt, and now by Mr. Benner, of New York *Ledger* fame, is, without doubt, the "Queen of the Turf." She has made the fastest time on record, viz., 2.8¼, and by that achievement has attracted more attention and has won more lovers than any other single maid belonging to her much petted tribe. She is an aristocrat of the first quality. She spends her winters in the centre of fashion at New York, living in marble halls and sleeping amid palatial surroundings. She spends her summers at Saratoga, and is courted not by dashing young society men only, but Eminent Divines, as well as millionaires, who count it a favor to pat her beautiful face and look at her remarkable outlines or features.

**TO OWNERS OF STOCK.**

The Maud "S" Condition Powders are as far in advance of its rivals as Mr. Vanderbilt's celebrated mare is ahead of her rivals in the estimation of the public. The reason of this is the Maud "S." Powders are no sham made up to sell only, but are prepared from the best material by a thoroughly educated and practical chemist. **One package of the Maud "S." Powder, we confidently believe, contains more real medicinal strength and virtue than twice its weight of any other Powder in the market, consequently a small dose suffices.** The Maud "S." Condition Powder is adapted for the cure of worms, loss of appetite, roughness of the hair or coat, stoppage of water and bowels, all coughs and colds, inflammation of the lungs and bowels, recent founders, swelling of the glands of the throat, horse distemper, hide bound botts, scurvy, loss of cud, horn distemper, black tongue, &c., and will also backen the heaves, and in recent cases effect a cure. In fact, there is no case of disease among Horses and cattle where these valuable Powders are not called for, and by their timely administration will save the lives of many valuable animals.

Sold Everywhere. Price, 25c. per package, or \$2 per doz. A sample packet will be sent by mail, postage paid, on receipt of 10c. to pay postage.

N.B.—We have a beautiful lithograph picture of Maud "S." in a trotting sulky, driven by Wm. W. Bair, as she appeared in making her unparalleled time of 2.8¼, which we will send framed to any address ordering not less than three dozen Powders.
