The Suffrage Bill.

Hon. Mr. Roberts, pursuant to notice, introduced a bill to amend the New Brunswick elections act. This bill, he explained, was the final outcome of years of effort on the part of the ladies of New Brunswick. It was promoted by the Women's Christian Temperance Union, The King's Daughters and other women's organizations, and its idea was women's organizations, and its idea was to give women equal suffrage with men. On the order of the day being called, Hon. Mr. Robinson asked that supply

CANADA NEEDS HER FARMERS

The Empire is looking to Canada for food, and the farmer is the chief factor in its production. In these days of scarce help every farmer must work his hardest, and every farmer knows from painful experience that it is his back that first feels the strain. Almost every movement, whether with the plow, the fork, the hoe or in the harvest field, tests the muscles of the back and kidneys. A pain in the small of the back is the warning that inflammation, although slight at first, but persistent, has started in the kidneys or surrounding tissue.

Farmers, if you only knew how quickly Gin Pills soothe and heal the overworked and strained kidneys and overworked and strained kidneys and restore perfect harmony between the kidneys and the bledder, making both work as nature intended them to do and in the process also relieve you of rheumatism, painful urination or other troubles incident to impaired kidneys, you would not delay a moment. Gin Pills are also a gentle laxative and are wonderful, not only in their effect on the kidneys and bladder, but they keep the bowels in perfect condition.

Mr. Burchill presented the petition of the town council of the town of Chatham in favor of a bill to authorize the said town to issue debentures. Also the petition of the Southwest Boom Company in favor of a bill to consolidate and amend the several acts relating to the company.
