HEARST WITH ZIEGFELD IN A THEATRE DEAL

New Alliance Causes
Sensation Among
Showmen

CHAIN PLANNED

Syndicate Likely To Build Large
Playhouses In Other
Big Cities

NEW YORK, Jan. 8.—Florenz Ziegfeld, Jr., in association with William Randolph Hearst and Arthur Brisbane, will build two theatres on the southeast and southwest corners of Sixth avenue and Fifty-fourth street, and will probably follow this by putting up playhouses in Chicago, Philadelphia and Boston. As a forerunner to this important alliance, Mr. Ziegfeld has leased Mr. Hearst's Cosmopolitan Theatre at Columbus circle and will take almost immediate possession with one of his own productions.

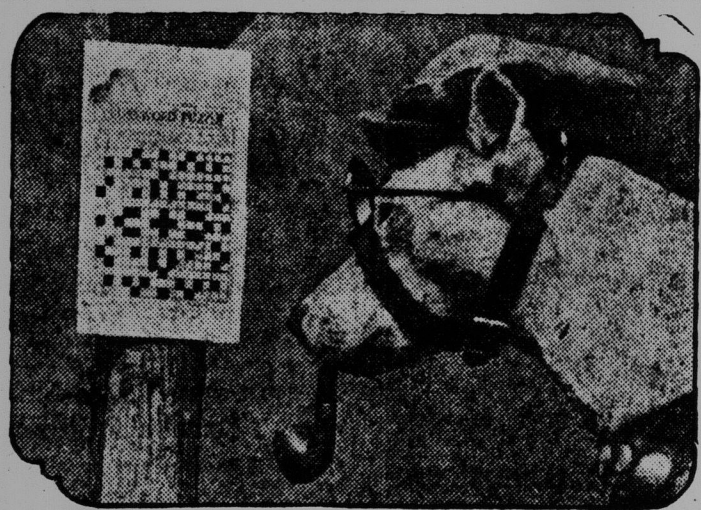

It is learned positively that the two new New York theatres would be known as the Ziegfeld and the Billie Burke. The Ziegfeld, which will be on the southeast corner of Sixth avenue and Fifty-fourth street, will be considerably the larger. The other, on the southwest corner, will probably seat about one thousand, but will nevertheless be equipped to house musical productions. Both theatres will be built by the Messrs. Hearst and Brisbane, and will then be leased for long terms to Mr. Ziegfeld.

Kingsclear Man Killed In Western Explosion

FREDERICTON, N. B., Jan. 8.—Word has been received here of the tragic death at Seattle, Wash., of Shore Ellegood, a native of Kingsclear, who was killed in an explosion.

Details of the fatality are unknown here, the only information that has been received coming from New York, where his sister, Mrs. W. B. Phair of Kingsclear received word of her brother's death while she was spending the holiday season with her daughter.

WORKING GIRL'S EXPERIENCE

Read how She Found Help
in Lydia E. Pinkham's
Vegetable Compound

Arnprior, Ontario.—"I must write and tell you my experience with your medicine. I was working at the factory for three years and became so run-down that I used to take weak spells and would be at home at least one day each week. I was treated by the doctors for anemia, but it didn't seem to do me any good. I was told to take a rest, but was unable to, and kept on getting worse. I was troubled mostly with my periods. I would sometimes pass three months, and when it came it would last around two weeks, and I would have such pains at times in my right side that I could hardly walk. I am only 19 years of age and weigh 115 pounds now, and before taking the Vegetable Compound I was only 108 pounds. I was sickly for two years and some of my friends told me about Lydia E. Pinkham's Vegetable Compound, and when I had taken a bottle of it I felt a change. My mother has been taking it for a different ailment and has found it very satisfactory. I am willing to tell friends about the medicine and to answer letters asking about it."—Miss Hazel Bennett, Box 700, Arnprior, Ontario.

A day out each week shows in the pay envelope. If you are troubled with some weakness, indicated by a run-down condition, tired feelings, pains and irregularity, let Lydia E. Pinkham's Vegetable Compound help you.

SAYS COMPLETION OF CATHEDRAL SURE

Bishop Manning of New York
Says Pledges Make Raising
of \$15,000,000 Certain.

NEW YORK, Jan. 8.—A sum sufficient to make the completion of the Cathedral of St. John the Divine a "settled fact" has been assured, declared Bishop William T. Manning at a dinner-conference of church committees for the district of Central Manhattan.

Representatives of some of the largest churches in that district reported great enthusiasm in their parishes and that they were busily preparing for a mass meeting at Madison Square Garden on the night of Jan. 18, which is to open the \$15,000,000 drive.

"We already have a goodly sum definitely assured," said Bishop Manning. "We have enough to make the project a settled fact. We are going to see these walls begin to rise this spring." The statement was received with an outburst of applause. Bishop Manning called on the chairman of the committees and their assistants to visit prospective donors in person and not to solicit by mail unless absolutely necessary.

Earlier a group representing the arts met at luncheon at the Hotel Astor and pledged their best efforts to raise \$150,000 to construct one of the bays in the nave.
