## MC 2035

THE EVENING TIMES AND STAR, ST. JOHN, N. B., THURSDAY, MAY 18, 1922

### THE CANADIAN HENLEY JULY 28-29

#### The Athletes of Canada Have Made Names for Themselves in Rowing.

Toronto, May 16. — (By Canadian Press.)—Of all the outdoor sports in which the athletes of Canada have made names for themselves, it is unquestioned that the one particular sport that has carried the fame of Canada, or any individual Canadian the farthest, is that of rowing. In the past Canadian rowers have held premier positions in the world's rowing championships, both professional and amateur, and it now remains to be seen whether or not there can be developed from among the five thousand amateur rowers of Canada some worthy representative who will restate Canada in the very front ranks in the rowing world.

The Canadian championship events will be held at St. Catharines, as usual, the dates for this year's Canadian Henley being Friday and Saturday, July 28 and 29. The St. Catharines regatta ranks as one of the biggest and best on the continent and is in reality a meeting of champions, not only from Canada, but also from the United States. To compete in these events it is necessary to establish the right to do so by winning a club or district championship and this, usually, the oarsmen competing in the blue ribbon events at St. Catharines are the best in their classes. A fluke winner in a club or district regatta would indeed be a lucky individual if he were able to repeat in the Canadian Henley.

The Canadian Association of Amateur Oarsmen has a membership of some twenty-five clubs, extending from coast to coast, and is, through close affiliation with the National Rowing Association, in close touch with rowing all over the North American continent. The colors of the Canadian clubs are as familiar to the oarsmen of the United States as are the Americans, and the clubs from the south of the international boundary are the best in their classes. Comparisons of stars of other days with the leading lights of present times are very seldom satisfactory, but in the opinion of a number of veterans the amateur of today compares very favorably with his counterpart of the past. Against O'Connor, Marsh and others of the last generation, we have today, or yesterday, Scholes, Dibble, Butler, and Belyea. John, the present champion, and a lot of good material in the making. Lou Scholes was the only Canadian to win the Diamond Sculls at the English Henley, and he had to establish a record for the course in order to do so. Scholes was also successful in winning the Canadian and United States championships, as were also Dibble and Butler.

The Canadian championship at St. Catharines last year, completely upset the hope when he captured the blue ribbon event. He has a style that is all his own and he drove his boat to the title by main strength.

The scullers of twenty years ago, quoting the same authorities referred to above, were superior to those of today, but when one considers that the men of the past generation were outstanding figures in the history of the world's rowing, this statement is not so much to the detriment of the present-day scullers. The rowing giants of the by-gone days included the one and only Ned Hanlan, who is claimed to be the greatest sculler of all times in the world. F. J. O'Connor, also of Toronto; Jake Gandour of Barrie, Ont., who at the age of thirty-eight won the world's championship; Wallace Ross, the great maritime province sculler, and Denny Don-

hue. In the same era the United States had men like Teemer, Lee, Plaisted, Hosmer, Riley, Ham and Stevenson. This group of scullers occupy a unique position in rowing history and the professional stars of the present day cannot begin to compare with them, in the estimation of the veteran critics. Professional sculling has, in fact, almost passed out and the present American champion, Eddie Durman of Toronto, a nephew of the great Hanlan, has held the title and today, at the age of fifty, is unbeatable.

The present generation has shown great progress in style, much has been learned in sweep rowing, and Canada's colors have been carried to victory frequently on United States courses. The list of American championships accredited to Canadian crews bears unmistakable evidence of the prowess of our crews in the eights, four and doubles. Canada has, however, never been able to win the Grand Challenge for eights on the Thames, and this is very significant, inasmuch as a number of United States colleges have adopted the English style of rowing, and in future crews from this country, competing in events across the line, will be confronted with crews that have been drilled in that style, by coaches who have been imported from England. The University of Toronto eight is probably the only Canadian crew whose training is inclined towards the Old Country style, and it may be regarded as significant that this crew won the Canadian eights championship last summer. Advocates of the British style, in discussing the merits of the two styles of rowing, lay stress on the fact that it was a crew from the United States navy, using the so-called British style, that won the Olympic championship. The British style that is now at the height of its popularity calls for a much slower and longer stroke than that which held sway in America until a few years ago.

Whatever be the merits of the respective styles, a decision should soon be arrived at, and it is not too early even now to begin the building up of good strong crews to make a successful invasion of Paris in 1924.

#### If Your Kidneys Are the Trouble

##### Ask Your Neighbors About DODD'S KIDNEY PILLS

##### ASK YOUR NEIGHBORS ABOUT DODD'S KIDNEY PILLS.

Cape Breton Man in Few Words Gives Reason Why Dodd's Kidney Pills Are a Household Remedy.

North Ingonish, Cape Breton, May 17. (Special.)—Right to the point is the statement Mr. Lawrence Brown, a well-known resident here, makes with regard to Dodd's Kidney Pills. Here it is in Mr. Brown's own words:

"I suffered from backache and kidney trouble. After taking a few boxes of Dodd's Kidney Pills I was relieved."

It is statements like the above that have made Dodd's Kidney Pills a household remedy all over Canada. For more than a quarter of a century people have been telling each other the benefits received from Dodd's Kidney Pills. They are purely and simply a kidney remedy.

If your kidneys trouble you ask your neighbors if Dodd's Kidney Pills are not the remedy you need.

#### CURIOSITY OF MOTHER SAVES SEVERAL LIVES

Edmonton, Alta., May 18.—Curiosity proved the means of saving six or eight children from being blown to atoms. The curiosity of a mother to see what sort of fire-crackers her daughter wanted to set fire to, revealed a stick dynamite. Two little boys had been prowling around the warehouse of a construction company near 39th street and picked up what they thought were fire-crackers. They took them home and handed one each to their sisters and four other girls living on the street.

#### U. S. ARMY

Washington, May 18.—An army of 140,000 men, with an average of officer strength of approximately 15,330 for next year, has been agreed upon by the senate appropriations sub committee, which has charge of the measure.

In perfect harmony—

#### TO CABLE ENTRY FOR DIAMOND SCULLS

The entry of Hilton Belyea, Canadian sculling champion, for the Diamond Sculls race at the English Henley on June 30 next will be cabled today by J. C. Chesley, president of the St. John Rowing Club. This was decided on yesterday at a meeting of the citizens' committee in charge of the arrangements for sending Belyea to Philadelphia. The English rowing authorities may look with disfavor on the entry owing to Belyea's occupation as a fisherman, but there is the precedent of the Dutch Village Scholes, of Toronto, the only Canadian to ever win the Diamond trophy, was allowed to compete. If Belyea's entry is approved he will be forced to move fast this summer to uphold his title.

Then, if the English entry is accepted, he must leave immediately for the old country. He intends to defend his Canadian title at the Canadian Henley this summer on July 28 and 29, so he must waste little time in returning from England. As the New England championships are held on July 4, Hilton will be unable to defend his title as New England champion if he is in England at the time. The theory which his maritimers and the Wigmore trophy in this section of the country he must defend.

The committee also decided yesterday to allow for an 18-hole course. Atherton Smith to the city before making any final arrangements regarding a tag day. Tonight the Royal Baseball Club will present the first benefit entertainment in aid of the fund in the City Hall, w. e. and a large turnout of west side citizens is expected.

#### MATCH IS NOT YET MADE.

Officials Deny That Leonard and Tendler Are Signed.

New York, May 18.—Reports that Benny Leonard, world's lightweight champion, and Lew Tendler, Philadelphia southpaw, had been signed for a championship battle, to be held on June 16 either in Jersey City or in Philadelphia, in this city, were denied by Frank Flournoy, Madison Square Garden matchmaker, and by Tex Rickard. Flournoy declared that he had no knowledge of the signing of Tendler, or the acceptance by the Philadelphia of the terms offered him. The Garden official added that so far as he knew the negotiations for the proposed match had not progressed beyond the stage they were in last week, when Phil Glasman, Tendler's manager, had guaranteed \$62,500 for the title bout.

Rickard emphasized that articles for the bout had not yet been signed, further than that he declared that he had determined upon no definite date for the event. Mrs. Smith is expected to announce recently that he planned to hold the bout on the night of June 16. In the event that he does not, Rickard said he thought it would be held on July 1. "I expect to see Glasman tomorrow," he added, "and I will again submit my proposition to him. If he doesn't accept, then I will be convinced that Tendler does not want to fight Leonard and will cease trying to land the match."

In the event that the proposed bout between Leonard and Tendler fails to materialize, Rickard plans to arrange a meeting between Leonard and Johnny Dundee, Italian lightweight, who holds the 130-pound championship belt. Dundee has been seeking another match with the champion and Leonard, according to Rickard, is prepared to engage the Italian.

#### RECORD FIELD OF 252 PLAYERS IN BRITISH TITLE TOURNEY

London, May 18.—(Associated Press.)—A record field of 252 players is entered for the American golf championship, which begins May 22 at the Prestwick Links and continues through to May 27. Four American players are entered and are paired as follows: John G. Anderson of Sivanoy against Walter Wright of Henden; George A. Dixon, Jr., National Links, against R. Sagar Fugh of the Royal St. Andrew's; Donald Parson of Youngstown, Ohio, against Alex Wenzel of Raleigh; and Ted Chapin of Greenwich, against H. E. Taylor of Mid-surrey.

#### SUSSEX ATHLETIC MEET.

Sussex has secured sanction for a big athletic meet which will be held there on July 1. The meet held at Sussex last year on Monday Day was a great success, as more than sixty athletes competed and fast time was made in several of the events. The field also gives great opportunity for the other athletic events. A baseball diamond has been laid out this season, which will compare favorably with those in the larger centres in Eastern Canada. Sussex is prepared to make every effort to make the coming meet even better than the last year, and no

### WILL HOLD OUT OLIVE BRANCH

#### Give "Independents" Chance to Say Whether They Desire to be Amateur.

(Halifax Chronicle.)

At a meeting of the registration committee of the M. P. B. A. U. of C., which was held here yesterday afternoon, with President A. W. Covey in attendance, it was announced that nearly all of the Halifax amateur clubs either had or were signing their affidavits. The meeting was called to consider what action ought to be taken by the M. P. B. A. U. of C. in connection with the result of the Amherst meeting, but it was decided that the result of yesterday's meeting would be held in abeyance until it was ratified by some of the members of the committee who unfortunately were unable to attend the meeting. To the onlooker it appeared that officials of where they were expected to come in or stay out. No harsh action will be taken, but the clubs will be given a chance to stick to their decision in favor of a break, or to rescind it and remain with the maritime body.

President Covey stated to the sporting editor of the Morning Chronicle that the action taken at yesterday's meeting was not for publication, as it had not been ratified by a full meeting of the registration committee.

#### NEW GOLF GROUNDS FOR HALIFAX CLUB

(Halifax Chronicle.)

Without a dissenting vote, almost 80 per cent. of the total membership of the Halifax Golf Club, including gentlemen and lady members, gathered yesterday afternoon at a meeting held in the Board of Trade, and after electing a committee consisting of Messrs. J. Tobin, F. B. A. Chipman, Peter Jack, John Murphy, W. H. Piers, W. A. Henry, H. A. Flemming, F. St. C. Harris, and R. H. Teisson, empowered this committee to act and make all necessary arrangements toward the financing and purchase of the Webb and the three Pierces, properties on the Dutch Village Road, for the new permanent home of the Halifax Golf Club.

It is believed that the sum of \$50,000 will be required to defray the purchase price of the hundred odd acres of which the property consists, secure the services of a golf course architect to survey and lay out the greens for the first nine or twelve holes, and pay for the clearance of a golf course through the woods.

The Webb property has two buildings which could be made into a clubhouse and garage, or workshop. There are two streams running through the property that would make ideal water hazards.

The properties referred to are about seven or ten minutes walk from the end of the Arundale car line along the Dutch Village Road. They are of sufficient acreage to allow for an 18-hole course, 12 of which it is hoped will be ready for use this autumn, if it is in the power of the committee to have them so.

It is believed that bonds of \$100 of denomination will be issued, and every playing member will be asked to subscribe not less than one share.

#### HOPPE SIGNS LEASE FOR BILLIARD ROOM

Broadway Establishment, to be Opened in the Fall, to be First of String.

New York, May 18.—Willie Hoppe and his manager, R. B. Benjamin, have signed a ten years' lease on a floor of the building on the northeast corner of Fifty-first street and Broadway, with the option of a five-year renewal. The new quarters will be opened in the fall as the first of a string of billiard rooms which Hoppe and Benjamin plan to establish throughout the country. The second probably will be opened in Cincinnati and the third in Baltimore. Charley Peterson, the fancy shot expert of St. Louis, will be associated with them in the enterprise.

Hoppe first retired from competition it was his intention to open a string of rooms in the leading cities of the East. Since that time he has enlarged his plans and he and his associate have now decided to locate in

Announcing—

practically all the larger cities of the United States.

He will have forty-eight tables in the New York rooms, and is arranging to have them specially built. They will be known as the "Hoppe table." Benjamin estimates that it will cost upwards of \$100,000 to equip the room here. While discussing the matter yesterday afternoon, Benjamin said:

"We intend to make it the best appointed room in this country. At present we plan to run it more as a club than a public room. It is our intention to charge a normal initiation fee and permit none but members to play in the place."

Late yesterday afternoon Hoppe and Benjamin left this city for Chicago, where they will be spectators at the world's championship match between Jake Schaefer and Welker Cochran.

#### ST. JOHN DOGS WIN IN MONTREAL SHOW

A telegram was received last evening by Charles Sullivan, secretary of the St. John Kennel Club, from a local exhibitor in the Montreal dog show giving the names of several local winners yesterday. The following list from this city won yesterday: Murray B. McHugh's foxhound, winner's dog and special best of breed; P. N. Woodley's pointer, reserve winner; G. B. Taylor's Irish setter, best brace; J. W. Cameron's collie, reserve winner; R. B. Lasker's smooth fox terrier puppy, winner; Mrs. P. A. Margeson, of Kentville (N. S.), who is well known here as she often exhibited at local shows, got winners and four specials for Pekinese.

#### COUNCIL INSPECTS PROPOSED SITES

The proposed site for the Protestant Orphans' Home in the Manawagoshish road was looked over by Acting Mayor Frink and Commissioners Bullock, Thornton and Wigmore yesterday afternoon. They were accompanied by W. M. Campbell, of the board of directors of the home, and Garnet Wilson, architect. Afterwards the commissioners inspected the Queen square on the west side of the harbor, part of which it is proposed to turn into an athletic field. It is expected that Commissioner Bullock will bring in a report on the matter in hand at the meeting this morning.

#### MONCTON BASEBALL

(Moncton Transcript.)

Moncton will have a senior amateur baseball league this summer composed of at least six teams. Representatives were present from the Bankers' A. A., Crescents' A. A., C. N. R. A. A., Sunny Braes' A. A., and the Y. M. C. A.
