THE LURE OF THE LAWN SWING

—the love of the gentle to-and-fro motion, the excitement of the long, swift, steady sweep is born in every child—and in most of the older folk it is still very much in evidence. Especially popular is the

which we have selected for its lightness, strength, endurance and attractive appearance. The Liverpool Lawn Swing is sturdily made of clear hand-wood, with bright red frame, with seats and suspending parts in natural finish and nicely varnished. TRAVIS CASE IS NOW ON CIRCUIT

Three Witnesses are Called—Judge Comments on Reply to Query.

The case against John Travis, charged with arson, was opened this morning in the circuit court before Mr. Justice Barry. The evidence given by three witnesses for the prosecution this morning was similar to that given in the police court. The first witness was Fire Marshal H. H. McLellan. Mrs. Lillian Vaughan testified that the man she had thrown out of the house, was about the same size and wore a cap similar to that worn by the defendant, but she could not state that it was the same man. She said that she had been spoken to by members of the defendant's family following his arrest on the charge.

Horace A. Garland gave evidence to the effect that he had seen a man running after the alarm had been rung in and that the person in question had a grey cap. Although he had run after this man, the witness said, and called out to him, he would not stop or answer him.

Judge Barry asked Mr. Mullin, appearing for the fire marshal, if the theory of the prosecution was that the man who had set the fire was the same person who rang in the alarm and Mr. Mullin replied in the affirmative. His Honor thought anybody who would do such a trick must be a firebug or demagogue.

The case was adjourned until this afternoon at 2.30. D. Mullin, K. C., appeared for the fire marshal, W. M. Ryan for the crown and E. J. Henneberry for the defence.

Jacobson Found Not Guilty
John Jacobson was found not guilty of criminal libel yesterday afternoon. William M. Ryan, for the prosecution, asked that Jacobson be remanded as he would like to look into the matter further. S. H. Hunton appeared for the defendant.

Jacobson was discharged this morning. W. M. Ryan, crown prosecutor, announced this afternoon there would be no appeal.

BELYEA DEPENDS ON HIS NEW SHELL

Canadian Oarsman Leaves Old Boat in France—Is in England.

Hilton Belyea, Canada's Olympic sculling representative, now is at Henley, England, supervising repairs to his damaged shell, according to a telegram received last evening from the West St. John oarsman. Hilton's purse has been sadly depleted as a result of the damage caused to his shell by French customs officials and the cablegram asked that funds be forwarded.

In a recent letter to Mrs. Belyea, Hilton said he was leaving his old shell in France and would depend entirely on his new one for the race in the Diamond Sculls event next week. The old shell is the one he took with him from here and is quite heavy now. It would be next to useless to him in a race where chances now in the Diamonds depend very largely on how soon Sims can repair his shell and allow him ample time to test it, and become accustomed to it. He knows the Henley course now thoroughly and if the boat measures up to what is expected, his chances of winning are increased materially.

SOME OF HIS OPPONENTS.

The fact also that competition will not be so heavy this year as in former years is another factor in Hilton's favor. It will be a classing field, however, including such stars as M. K. Morris, last year's winner; D. H. L. Gollan, Jack Beresford, who will represent England at the Olympics; Garret Gilmore, United States Olympic representative, and others. When he left here, Hilton was under the impression that he was allowed from each nation just as in the track and field events. He believes now, however, according to a recent letter home, that only one entrant is allowed. He says he watched the French Olympic eliminations and France is going to have only one entrant. England is also. It is probable the United States will send over four scullers, Gilmore, Russell Codman, Paul Costello and Jack Kelley. The three first named may row in the singles while the two last named will pair for the doubles event. It is considered likely now that Walter Hoover, the Duluth sculler, will not go over. He did not row in the United States elimination a few weeks ago.

AUTO HITS POLE.

An automobile truck, license number X-1085, collided with a telegraph pole at the corner of Charlotte and Princess streets this morning about 10 o'clock. The driver of the car was driving out of Princess into Charlotte street just about the time a street car was passing the corner, and in making too short a turn the front wheels of the automobile buckled, and before the driver could recover control of the machine he crashed into the pole. The front axle was badly bent and one headlight was damaged. A young boy who was sitting in the seat with the chauffeur was thrown against the windshield, but escaped injury.

HAD PICNIC.

The annual picnic of the Portland Methodist Sunday school was held yesterday at Grand Bay and despite the wet weather was thoroughly enjoyed by the 200 or more who attended. During the afternoon races for the juniors were run off in the pavilion and the winners made happy with suitable prizes.

ASKS FOR PAVING.

Hon. J. G. Forbes this morning was interviewing city commissioners to try to enlist support in a move to have the city pay a portion of the cost of paving the road from Kane's Corner to the Fernhill gate. He said he had the assurance of Premier Veniot that the Government would pay half the cost of the paving, provided the city would pay the other half.

MOOSE VISITS CITY.

A fine specimen of bull moose was seen around the city streets this morning but after looking the place over he decided that he preferred the woods and left for parts unknown. He was seen by R. J. Currie, Prospect street. The moose walked leisurely down Sully and Grand streets and made over Reed's Hill to the woods.

WEDDING ANNIVERSARY.

Friends gathered at the home of Mrs. D. Jewett, 108 Carleton street, last evening to celebrate the fifth wedding anniversary of Mr. and Mrs. Frederick Rattman. Rev. W. J. Johnston, on behalf of those assembled, presented to them a beautiful upholstered chair. He extended congratulations and wished them many years of happy married life. Games and music were enjoyed and refreshments were served.

REMEMBERED BY CLASS.

Another novelty shower was given last evening in honor of Miss Freda Sprague at her home in Paradise row. This shower was given by the members of the Joy class of the Coburg street Christian church. The colors of the class, purple and white, were pleasantly displayed. The shower was under the direction of the teacher of the class, Mrs. E. N. Stockford. Many beautiful and useful gifts were received by Miss Sprague.

PLANNING FOR RACES.

A special meeting of committee, looking after the plans for the gala day, planned by the members of the St. John Power Boat Club to be held at Crystal Beach on Dominion Day, was held last evening in the club rooms. Arrangements have been made for races for A and B class speed boats, for two or three events for cabin cruisers of different power, an open motor boat race and probably four-oared and single scull races. Efforts are also being made to arrange for a "fastly" race. Cups and other special prizes have been donated for the various events.

WILL BE GREATEST HERE IN 20 YEARS

Plans Complete for Orange Celebration—Route of Procession.

Plans for the biggest event in Orange circles in New Brunswick for the last 20 years were practically completed last night at a meeting of the celebration committee, held in Orange Hall, Germain street, and from reports received by Harry Allen, secretary of the celebration committee, there will be at least 5,000 men in line when the big parade forms up. Special trains will be run from Moncton, via the C. N. R., Fredericton, via the Valley Road; and St. Stephen and Woodstock, via the P. E. and each contingent will be accompanied by a band.

To accommodate those who cannot be brought in by the special trains the committee has been able to make very attractive arrangements. On the C. P. R., a return ticket will be issued at a fare of two-thirds, with the privilege of a ten-day stop-over, and on the C. N. R., the fare will be the same with a four-day stop-over allowed. Members of the committee will meet the special trains to direct the visitors to the Barack Green, which will be the headquarters for the day.

The Parade.

Arrangements were made last night to serve luncheon and supper on the grounds, but dinner will not be served there. The parade will start, forming up at 2 p. m., and is expected to start at 2.30 sharp. The route of procession will be as follows: Carmarthen street to Mecklenburg, along Mecklenburg to Sydney, along Sydney to the south side of King Square, to Charlotte, to Union, to Mill, to Main, to Portland, to High, to Simonds, to Main, to Mill and back, to King, to Charlotte, to St. James, to Carmarthen, to the grounds. H. T. Brewer, grand master for New Brunswick, will act as King William. In the procession will be the officers of the New Brunswick Lodge, L. O. B. A., grand officers of the L. O. B. A., and grand officers of the Loyal True Blue, in carriages.

The proceeds of the day are to be devoted to the Protestants' Orphans' Home and it is hoped to raise a good sum for that worthy purpose. A special effort has been made to have this year's observance of the "Glorious Twelfth," a banner on the parade, to mark the 100th anniversary of the founding of the Order in New Brunswick. The committee of the Bounty Lodge, under whose auspices the celebration is being arranged, is sparing no efforts to that end.

YOUNG JUDEAN LEADERS DINE

Pleasant Event Brings Work of Season to a Close.

The first annual banquet of the leaders of St. John Young Judeans was held last evening at the home of A. Babb, Summer street. Seventeen members of the Leaders' Circle, who have been directing the work of Young Judeans in St. John sat down to a bounteous repast prepared by Mrs. A. Babb and Miss Jennie Holtzman. The occasion marked the close of activities of the body for the summer months, and interesting reviews of the work among the Jewish youth of this city were given by the various speakers.

A. Babb, Hebrew teacher of St. John, was chairman, and Ben Guss, chairman of the Leaders' Circle, acted as toastmaster in a most capable manner. The following toast list was enthusiastically carried out: The King; St. John Young Judeans; ramatic, Library and Athletic Branches; The Ladies; Palestine.

A feature of the evening was a stirring address in Hebrew by Mr. Lipshitz, describing the life of the Chaluks or Jewish worker in the reconstruction of Palestine. Mr. Lipshitz enlisted and worked in Palestine until stricken by malaria and forced to return to Canada.

Those present were A. Babb, A. R. Isaacs, Ben Guss, Percy Goldman, Maurice Ellman, Sam Jacobson, Joe Tannan, Ben Cohen, Israel Cohen, Sanford Goldman, Wm. Tannan, Nathan Lipshitz, Miss Eva Warson, Rhel Holtzman, Lillian Levine and E. Boyan.

A. Ralph Isaacs, president of St. John Young Judeans, will leave this morning for Montreal to represent the local organization at the fourth Canadian Judean Convention, which will open in that city on Saturday.

ATTENDING CONVENTION.

David E. Lynch of the staff of Manchester, Robertson, Aikman, Ltd., has gone to Buffalo to attend a convention of international window trimmers. There was expected to be a large gathering of experts in the matter of window displays of merchandise.

As Hiram Sees It

"I see," said Mr. Hiram Hornbeam to The Times reporter, "some of 'em think we let into the country has been tryin' to take charge out there in Alberty. They're gonto make their own laws an' do as they like—an' chase everybody out there don't jine in with 'em. Well, sir—they orto be thankful they're in Canada. If they was in rooshie, now, they'd be shot on sight—just as they are in Canada. They're tryin' to upset—an' they haint got gumption enough to see what that means to them an' their children. Why if they let their kids git schoolin' an' grow up as they orto in this country some of 'em 'll be in Parliament some day—an' all of 'em kin be well-off an' git more out o' life than the folks in any o' them countries that sends out sich warped minds to make trouble in a free country like Canada. I aint sure jist how fer we orto go in bein' a school-house an' a loonatic asylum fer the scourin' o' the airth. No, sir—I aint."
