Mr. Wilson is a native of St. John, where he is well known, and was formerly connected with the firm of M. R. A.

Do you want Mr. Bourassa to hold the balance of power in Canada, as he would do if Mr. Borden won with his assistance? If not, vote for Dr. Pugsley and Mr. James Lowell.

LIBERAL ELECTORS

The Liberal electors of the various wards will meet in their respective ward rooms for regular work each night until Sept. 21st.

To The Young Men of St. John.

You are asked by the Conservatives to identify yourselves with a party which welcomes an alliance with Henri Bourassa, the traitor who stirs up party prejudice in Canada and is opposed to British connection.

You are asked on the other hand to vote with a party whose leader, Sir Wilfrid Laurier, stands for rafe harmony in Canada, and for British connection.

If Borden should win, Bourassa would be the real dictator.

If this is your first vote, record it in support of Canadian unity and not of racial strife.

Don't Let the Trusts Bust You, Mr. Voter. CANADA IS YOURS, Boost it! and vote for PUGSLEY AND LOWELL.

The Mission Style GLENWOOD

strong, plain, and handsome, while meeting the demand for a popular style it has all the advantages of other GLENWOOD patterns, with the addition of having been rearranged so as to place the ash pan, broiler offer, grille, clean out door, and all essential parts within easy reach from the front.

Note the neat, attractive appearance of this range, no ornamentation or fancy niches to catch the dust or dirt, the Mission Style applied to a range, every essential refined and improved upon.

Either end as well as the back can be placed squarely against the chimney thus greatly economizing space in the kitchen.

The GLENWOOD is an excellent baker having a large roomy oven with perfectly straight sides and an oven shelf always adjustable to any height.

Clothing for the Romping Boy

What sort ought it to be?
It ought **not** to be skimpy, narrow chested, too tight—would you cramp your boy's muscles or his lungs?
It ought not to be made of flimsy, cheap Cotton or Cotton-mixed material; or carelessly made or sewed—a paper Suit would do as well—it would keep him warm.

Yet this sort of Clothing is common.

A growing, healthy, full-blooded boy needs strong, well-made Clothes. He needs full play for his arms and legs; he doesn't want to be afraid every minute that something is going to give away.

For years we have upheld the standard in both our Men's and Boys' Clothing with the result that ours is the largest Clothing business in Eastern Canada today.

The full stock is ready. Business is bounding ahead as never before—and every mother's son can be well fitted out—as in expensively or as magnificently as you choose.
