"SOCIETY.

It used to be in former days
They played for 'filthy lucre;'
But now they've got new-fangled ways
They call 'progressive euchre.'
'Tis very harmless I suppose,
Nor strains the mental powers
Of girls who entertain the beaux
That bring them pretty flowers.
'Receptions,' too, are all the go—
Deceptions, rather call them—
And tea-parties, the Mi-ka-do,
I think, is what they call 'em;
Where all trick out like Japanese
Or, say, like 'Dolly Varden,'
And gabble like a lot of geese,
Penned up in flower-garden.
This does not tax their mental powers,
Nor do they feel regret,
The dudes help while away the hours
To please some vain coquette.
All this called æsthical—
A 'craze' to call it mild,
To quiz, and quote pathetical
A la sweet 'Oscar Wilde.'
Alas, such is 'society,
In these progressive days,
May reason and sobriety
Restore the good old ways.

—*Courier Journal.*

GENERAL NOTES AND NEWS

It is asserted that the Russo-Chinese difficulty has been settled.

Children troubled with Worms will find sure relief by using that pleasant and efficient remedy *McLean's Vegetable Worm Syrup.* Sold by all dealers, Price 25 cents.

Twenty-nine Canadian failures were reported during the last seven days.

Baird's French Ointment will cure the Itch in a few days, cures Salt Rheum, Chapped Hands, Scald Head, Obstinate Sores and Wounds. Sold by dealers.

Seven hundred Christians have been massacred in Tonquin and fifty villages burned.

If there is anything in this life that will give one a foretaste of hell, as some represent it, that thing is Neuralgia. It is the refinement of torture. But there is a simple and inexpensive remedy for it. *Johnson's Anodyne Liniment* snuffed up into the head will give instant relief.

The Bulgarian army officers at Sofia have pledged themselves to loyalty to Prince Alexander.

Pure rich blood gives us health, long life and a "green old age," but how few pay any attention to the state of their blood, *Parsons' Purgative Pills* make *new* rich blood, and taken one a night for three months will change the blood in the entire system.

Lord Hartington and Mr. Chamberlain will go on the anti-Home Rule stump during the recess.

Certain Cure

A CURE FOR CHOLERA MORBUS,—A positive cure for this dangerous complaint, and all acute or chronic forms of Bowel Complaint incident to Summer and Fall, is found in Dr. Fowler's Extract of Wild Strawberry; to be procured from any druggist.

The French are meeting with trouble in Madagascar and are sending reinforcements thither.

Consumption Can Be Cured

Not by any secret remedy, but, by proper healthful exercise and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, containing the healing and strength-giving virtues of these two valuable specifics in their fullest form. Prescribed universally by Physicians. Take no other.

Austria seems inclined to oppose any further extension of Russian influence in Eastern Europe.

A Word of Explanation

The liver secretes bile to move the bowels; the kidneys secrete urine to carry off uric acid, which would poison the blood; the stomach secretes gastric juice to digest or dissolve the food, etc Burdock Blood Bitters acts upon these organs and purifies the blood by cleansing all the secretions of the system.

Prince Henry of Battenburg has gone to Darmstadt to conduct Prince Alexander to Balmoral

In Season

It is now in season to warn our readers against the sudden attacks of Cholera, Cramp, Colic and the various Bowel Complaints incident to the season of ripe fruit, vegetables, etc. Dr. Fowler's Extract of Wild Strawberry is the grand specific for those troubles.

The damage at Charleston is expected to exceed considerably the original estimate of five million dollars.

A National Evil

There is no question but that Dyspepsia is the national disease of our country, and when complicated with diseases of the Liver and Kidneys is the cause of untold misery. Burdock Blood Bitters will almost invariably cure the worst case known.

By the registering of the Allan fleet as "of Montreal" fifty thousand tons will be added to the ocean tonnage of that port.

Honesty the Best Policy

An honest medicine is the noblest work of man, and we can assure our readers that Dr. Fowler's Extract of Wild strawberry is not only reliable, but is almost infallible to cure Cholera Morbus, Dysentery, Canker of the stomach and bowels and the various Summer Complaints, whose attacks are often sudden and fatal

It is stated that Prince Alexander's compulsory abdication was the result of personal vindictiveness on the part of the Czar.

Of Vital Importance

It is just as essential that the human body should have pure blood, as that a tree or plant should have sap to nourish and invigorate its growth. Nearly all our bodily ills arise from unhealthy blood, Burdock Blood Bitters purifies this fountain of life, and regulates all the vital organs to a healthy action.

The hearing of the David J. Adams case in the Vice-Admiralty Court at Halifax has been fixed for either the 23rd or the 28th inst.

Notice has been given that in future all fresh fish caught in Canadian waters and taken to the United States will be subject to a duty.

Loss and Gain.

CHAPTER I.

"I was taken sick a year ago
With bilious fever."

"My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides and I got so bad I
Could not move!
I shrunk!
From 228 lbs to 120! I had been doctering for my liver, but it did me no good. I did not expect to live more than three months. Directly my appetite returned my pains left me, my entire system seemed renewed as if by magic and after using several bottles I am not only as sound as a sovereign but weigh more than I did before. To Hop Bitters I owe my life,"

Dublin, june 6,'81 R. FITZPATRICK.

HOW TO GET SICK.—Expose yourself day and night; eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised, and then you will want to know *how to get well*, which is answered in three words—Take Hop Bitters!

It is reported that Col. Chamberlin, Queen's Printer at Ottawa, is to be superannuated, and that Mr. C. H. Mackintosh M. P., will be appointed to the position

It is suggested that the Alert should be fitted up with larger boilers and engines and put on the P. E. Island winter service in place of the Northern Light.
