DIREFUL PROPHECY CAME TRUE. UTILIZING LUMBER MILL WASTE. Henry Meyer of Jamaica Killed in His 21st Year in Accident at Harrisburg,

JAMAICA, L. I., April 13.-The grew some prophecy of a wandering fortune teller made several years ago was recalled today, when Mr. and Mrs. Char-les Meyer received a telegram from

ents had almost forgotten the fortune miteller's prophecy until receiving word

THE LOBBYIST'S BOOKMARK.

place the Bible in his guest's hand, bid-

that a legislator once took the money and then voted against the lobbyists measure, whereupon the lobbyist fright-ened him into giving back the, money by threatening to prosecute him for grand larcency. And sure enough it was nothing less, for the lobbyist had was nothing less, for the lobbyist had sure enough it was nothing less, for the lobbyist had some sanguine that he will annex the sanguine that he will annex friends are sanguine that the finish that both men received an ova-the finish that both men recei money; and, of course a man has a right to use a \$1,000 bill as a book mark if he wants to.

To cure Headache in ten minutes use they grow older and want to trade town-lots for automobiles, they find the want to.

The effort to utilize all the waste wood of the lumber mill has stimulated a class of inventors to the production of small machines which will turn out wooden articles of all conceivable kinds. Without adequate machinery there would be little value to this waste

material, for the common articles are sold at such small prices that there is Harrisburg, Pa., telling them that their son. Henry Meyer, 21 years old, was dead in a hospital in that city. His death is said to have been the result of an accident, but no further particulars were given. Mr. and Mrs. Meyer, however, believe he was killed in a railroad accident, as they had a letter from him on Wednesday in which he

factory, and there is economy in thus combining different articles. The trimmings and waste from one machine will often serve to supply ample material for another.

A large number of factories are engaged in producing a great variety of common farniture articles, such as desks, chairs, tables and shelves says and consent. Two or three years since a fortune teller who passed through and consent. Two or three years since a fortune teller who passed through this section told the young man's fortune, and predicted, among other things that he would meet his death during his 21st year. The gloomy prediction weighed upon Meyer's mind, and he could not altogether rid himself of the larger and stands are also monopolizing the attention of some of the larger mills.

that their son had entered the employ of a railroad, when it was brought back to them, and they had since been haunt.

When the bicycle became an important for receiving word and pleasure article a few years ago, the demand for wooden rims was so to them, and they had since been haunt. to them, and they had since been haunt- great that several factories in the fored by the fear that he would meet a ests were engaged in making these rims Unique Method Taken of Conveying

Bribe Money.

Bribe Money.

The San Francisco land grabber's methods of conveying bribe money to employes of the land office recalls the

west used to make it "worth while" for legislators to vote as he wished. A Rible Society had placed a copy of the Scriptures in each room of every hote in the state! Whenever the lobbyist wished to bribe a member of the legislature-he would invite him to his room and, after going over all the legitimate arguments in favor of his measure, would ask if the legislator had ever read the Book of Job. It was a fairly safe guess that he had not, but even if he had it made no difference.

"It is a wonderful story," the lobbyist would say, "and I think you would find it profitable to read it." Then he would say, "and I think you would find it profitable to read it." Then he would say, "and I think you would find it profitable to read it." Then he would say, "and I think you would find it profitable to read it." Then he would say, "and I think you would find it profitable to read it." Then he would say, "and I think you would find it profitable to read it." Then he would say is a substant of the southward of a feeble-looking man, I way, Leo O'Hara and Mr. Connor.

Way, Leo O'Hara and Mr. Connor.

THE SCHOONER ARROW.
