ROOKWOOD POTTERY OF CINCINNATI.

Gold Medal, Paris Exposition, 1889.

THE ROOKWOOD POTTERY was established at Cincinnati in 1880 by Mrs. Maria Longworth Storer, whose father, Joseph Longworth, was the founder of the Art School and a chief patron of the Art Museum in the same city. The artistic impulse which came from the ceramic display of Japan at the Centennial Exhibition of 1876, and the production still bears the impress of that influence. For a time a school for pottery painting formed part of the scheme, and from the beginning the commercial side of the enterprise has been subordinate to the artistic. We have just received a choice assortment.
