## ROTHESAY

Rothsay, Dec. 5.—Mrs. Allan Rankine of St. John was among Rothsay friends on Friday.

Combing work and pleasure a party of friends went across the river on New Year's Day to Long Island where improvements were made along the shore near the camps. At supper time they were guests of Mr. R. Cooper and spent a pleasant hour afterward, returning home about half past nine. Those enjoying the outing were Mr. Cooper, Rev. W. R. Hibbard, Mr. W. S. Allison, Mr. H. F. Puddington, Rev. Canon Daniel, Mr. Elmer Puddington, Mr. Frank West and Mr. Percy Fairweather.

Rev. Thomas McNeil, who is just now supplying the pulpit at the Presbyterian church, was here in Hamilton on Tuesday making visits.

The annual Christmas tree and entertainment for the Sunday school of St. Paul's church, Gondola Point, took place in the church hall last Friday evening and was a great success. There was a program of recitations and carols, then the tree with gifts for all. The presence of Mrs. George P. Matthew added very greatly to the pleasure of all present. She has been unfailing in her interest not only in the Sunday school but has inspired the young people along the line of Junior W. A. effort and aided interest to the Red Cross work.

Over the last week-end, Mrs. and Miss Morton, Renforth, had as their guest, Miss Laura Morton. On New Year's day additional guests were Mr. and Mrs. J. E. Lamoreaux and their daughter, Miss Zela.

Hon. William Pugsley and Mrs. Pugsley returned from New York this week. Those who knew Miss Annie Peavy during her residence as housekeeper at Netherwood, will sincerely regret to hear of her death, which took place at Lunenburg, N.S., about Christmas. Miss Peavy had hosts of friends, and will be greatly missed.

There was a good attendance at the Red Cross meeting on Tuesday, when the monthly report for December was read by the secretary, Miss Muriel Robertson, whose good work in behalf of the society is greatly appreciated.

Miss Eileen Gills, the announced bride of Noel Marshall, telling of some of the comfort afforded the sick and wounded, by use of Rothsay's gift of a motor ambulance, sent overseas last spring. It was surely worth while, and made all who heard the letter, desire to keep on their feet for the splendid fellows who are making such sacrifices for us. One hundred dollars was voted toward New Brunswick ward in the new hospital to be presented by the Canadian Red Cross to the French government. A charming incident was the introduction of Mr. and Mrs. Harold Brock's baby son, Frederick, whom the president, Mrs. J. H. Thomson held in her arms, claimed for him the honor of being probably the youngest life member of the Red Cross Society, his name having been added to the roll by his aunt, Miss Eileen Gills. The announcement was received with applause, the baby seeming to be quite interested in the proceedings of which he was the centre of attraction. Afternoon tea was served as usual on Tuesday, the ladies in charge being Mrs. Harold Brock, Miss Nana Fairweather, Miss Hamilton supervised the shop table which offered a variety of choice tidbits, readily bought up.

Rev. Canon Daniel spent last Sunday in St. John, taking the services at St. John's (Stone) church for Rev. A. L. Fleming who is laid up in consequence of an accident.

Miss Ganong left by Tuesday's P. E. R. to visit friends at Montreal. She expects to be away only about a week.

Today (Thursday), Mr. and Mrs. W. Z. Earle arrived from Prince Albert, Sask., to visit at the home of Senator and Mrs. Donville. Mrs. Earle will enjoy the meeting with her sister, Miss Mary L. Donville, who is home on furlough from nursing duties in France.

This week Miss Jean Daniel began a month's service in the Military Hospital, St. James St., St. John, where during January she will assist on the nursing staff.

For a few days Miss Ethel Milligan of St. John, has been guest of Miss Frances Hamilton. She is returning home today.

Mr. and Mrs. John Mitchell have been enjoying a week's visit from their son, Mr. Willard Mitchell and wife of Amherst.

There are many expressions of regret that Mr. Peter Chisholm is laid up with pneumonia. Miss Cambridge is the nurse and speedy progress toward recovery is hoped for. Miss Elliott has been suffering from congestion but is much better.

On Wednesday Miss Mabel Thomson and Miss Rowland left on a ten days' visit to New York.

It was expected for a time, that the marriage of Miss Marjory Burpee of Vancouver and Dr. Treloar of the British Army would take place in St. Paul's church, Rothsay, during the present month, but these plans have had to be changed on account of an anticipated leave of absence from England being cancelled. The bride-to-be is a niece of Mrs. D. A. Puddington and Mrs. Harry Gilbert. Miss Burpee expects to go with friends to England and will probably spend a few days in Rothsay before sailing.

On Monday Mr. and Mrs. George McArthur had as guests Mr. McKinney, Mrs. Chase and two children and Mr. Albert McArthur.

Miss Gladys Gibbon is leaving this week to resume her work at Acadia College, Wolfville. She intends making a special study of education in which art she has already been so successful. Miss Gibbon has a very sweet contralto voice and during the holiday season gave much pleasure by her solo singing.

The news that Mr. Harold Crookshank was ill with typhoid fever at Midland, Ont., was heard here and

in the battery at Halifax, a family to be very proud of.

At the home of Dr. and Mrs. Peters, welcome guests are Mr. and Mrs. George Corbett of Annapolis Royal, parents of Mrs. Peters. Mr. Corbett expects to go to Boston before returning to Annapolis.

Miss Emma Christie is here visiting her niece, Mrs. Fred Foster and Miss Grace Russell who makes her home with Mrs. Foster, is just now visiting friends at St. Stephen.

Next Monday Misses Irene and Hazel McArthur expect to leave for New York, there to spend a month.

Miss Marie Kirkpatrick, who left a few days ago to study nursing in the hospital at St. Stephen, met a number of friends at the home of Mr. and Mrs. W. E. Flewelling, where a very pleasant evening was spent. In the name of those present, Miss Kirkpatrick presented to the hospital a handsome travelling bag. Expressions of regret at her going and of good wishes for her future were general and sincere.

On Tuesday Mrs. F. C. Beattie, Miss Kate Diabrow and Mrs. R. B. Travis of St. John, were here guests of Mr. Rothwell.

Over the last week-end, Mrs. and Miss Morton, Renforth, had as their guest, Miss Laura Morton. On New Year's day additional guests were Mr. and Mrs. J. E. Lamoreaux and their daughter, Miss Zela.

## Two Cases of Eczema And How They Were Cured

Further Proof That Dr. Chase's Ointment is a Positive Cure for Chronic Eczema.

If you read these letters you will find that Dr. Chase's Ointment is not to be classed among ordinary salves and ointments.

By actually curing itching, stinging eczema in many thousands of cases it has stood the most severe test to which any ointment can be put.

Mr. J. Brice, Temperance road, Parry Sound, Ont., writes: "Just a line to praise Dr. Chase's Ointment for what it has done for my wife. She has been suffering with eczema in both hands for many years, and has spent no end of money with doctors and for ointments, which did her no good. She had about given up hope of ever being cured, when someone told her to try Dr. Chase's Ointment. By the use of this Ointment the trouble has left her entirely, so we have unbounded faith in it. I have told several people about the Ointment."

Mrs. W. G. Dowden, Greenspond, Bonaville Bay, Nfld., writes: "I suffered with eczema on my hands, and for eighteen months was so bad that I could not use a needle to sew or do anything. I could scarcely dress myself. Though I had lots of salves from doctors, I could never get much benefit from them. Then I sent for a sample of Dr. Chase's Ointment, and found it very different in action. It was not long before my hands began to heal, and four or six boxes made them well. I cannot praise Dr. Chase's Ointment too highly, and frequently give some to others to get them using it, for I know that it will cure."

In the home Dr. Chase's Ointment is of almost daily usefulness, for by relieving chafing and irritation of the skin it prevents eczema and similar itching skin diseases. Applied to all cuts and wounds, it prevents blood poisoning and heals the skin. Dr. Chase's Ointment, 60 cents a box, all dealers, or Estmanson, Bates & Co., Ltd., Toronto.

## DECREASE IN YARMOUTH LOBSTER CATCH IN DEC.

Special to The Standard.

Yarmouth, N. S., Jan. 7.—From official figures in Yarmouth county on the opening of the lobster season on Dec. 15 to the end of the year, sixteen days only, there was a decrease in the catch of 5,850 hundred weight. The total shipment of live lobsters was 2,562 hundred weight, and the pack amounted to 1,654 cases. There was an increase in the rates of \$9.50 per hundred, but the total decrease in valuation amounted to the stupendous total of \$50,993.

From Dec. 15 to Dec. 31 of the year 1915 there were exported to Boston, via Yarmouth, 3,273 crates of live lobsters and the season for the corresponding period there were only 857 crates, a decrease of 2,386 crates. This season the fishermen have received from \$50 to \$65 per crate.

Very favorable reports about the work of Gipsy Smith, at the front, have come to hand. He has addressed enormous meetings and in three nearly three hundred soldiers have professed conversion.

The pastor of St. Mary's, Bedford, England, conducted the Free Church Council intercessory prayer meeting held weekly in St. Paul's Wesleyan Methodist church. Those present will not soon forget the brief address on "Christian Unity." "Earnestness in Prayer," etc., with which he opened the meetings.

Last Week's Births and Marriages.

Twenty-nine births were reported in the city last week, fifteen boys and thirteen girls. Fifteen marriages were also reported during the week.

## IF BACK HURTS BEGIN ON SALTS

Flush the Kidneys at once when Backache or Bladder bothers — Meat forms uric acid

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sense of scalding, get about four ounces of **Jad Salts** from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

**Jad Salts** is inexpensive and cannot injure; makes a delicious effervescent lithia-water drink which all regular kidney eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

The news that Mr. Harold Crookshank was ill with typhoid fever at Midland, Ont., was heard here and

## Prohibition in France

The Prohibitory Law which has just been adopted by our brave Ally, France, which forbids the use of alcoholic beverages through the French Republic, makes a very important exception.

In the press despatch we read:

"The use of the term alcohol in this connection is understood in France not to include Wines and Beers."

Thus another great nation sanctions and encourages the use of Beer, meaning Ale, Stout and Lager.

Times are changing. Beverages of high alcoholic content are being banned by most countries, and Beer is the substitute. It is harmless. It is the one drink without any ill-effects, and **READY'S ALE, LAGER and STOUT** are unexcelled in general goodness.

Sold in barrels, cases or by the dozen. Shipped to Scott Act Counties of New Brunswick or to any address in Nova Scotia or Prince Edward Island for personal use.
