Department of the Secretary of State.

PUBLIC NOTICE is hereby given that, pursuant to an Order of His Excellency the Governor General in Council dated the 15th day of November, 1918, the following lists are being prepared:

(a) Claims of persons residing or carrying on business in Canada who have been subjected to loss and pecuniary damage arising from the destruction of life and property through the illegal warfare of the enemy, and

(b) Claims for damages to which persons residing or carrying on business in Canada have been subjected for breaches of contracts, which contracts were prevented from being carried out owing to the operation of the Statutory List of persons in neutral countries with whom such contracts were declared illegal.

Persons having such claims should immediately file the same. Instructions respecting the method of filing and the proof to be furnished may be obtained from the undersigned. The filing of a claim does not imply an undertaking on the part of the Government to put forward such claim at the termination of hostilities, or any assurance that the claim, if put forward, will be paid. It is advisable, however, that claims should be made promptly, so as to enable the Government to put them forward if occasion arises for doing so.

Washington—A new system of night storm warning displays will be effective on the Atlantic and Gulf coasts to begin with the first signal displayed after 8 a. m., January 1, 1919.

The Small Craft Warning—a red pennant indicates that moderately strong winds that will interfere with the safe operation of small craft are expected. No night displays of small craft warnings are made.

The Northeast Storm Warning—A red pennant above a square red flag with black center displayed by day or two red lanterns, one above the other, displayed by night, indicates the approach of a storm of marked violence with winds beginning from the southeast.

The Southwest Storm Warning—A white pennant above a square red flag with black center displayed by day, or a white lantern above a red lantern displayed by night, indicates the approach of a storm of marked violence with winds beginning from the southwest.

The Northwest Storm Warning—A white pennant above a square red flag with black center, displayed by day, or a white lantern above a red lantern displayed by night, indicates the approach of a storm of marked violence with winds beginning from the northwest.

Hurricane or Whole Gale Warning—Two square flags, red with black center, one above the other, displayed by day, or two red lanterns, with a white lantern between, displayed by night, indicates the approach of a tropical hurricane, or one of the extreme types of storm, which occasionally move across the great lakes and Atlantic coast.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and lustrous. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients in a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By sticking your hair with "Wyeth's Sage and Sulphur Compound," no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with water and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and lustrous and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

THE WRONG DIRECTION.

A teacher was explaining to her class that if one wished to do anything well one had to begin at the bottom, when a voice from the back interrupted her.
"How about swimming, teacher?"
