OBITUARY.

James W. Henderson.

Moncton, June 17.—Death came
with shocking suddenness, during last
night, of James W. Henderson, form-
erly one of the best known conductors
on the Government Railways. Mr.
Henderson passed away some time
during the night at his home and
was found dead in bed about ten
o'clock this morning. Deceased had
been on a falling trip yesterday and
retired last night apparently in his
usual health. As he did not appear
with whom he resided, went to his
room about ten o'clock to call him,
and was shocked to find him dead.
Deceased had retired from the rail-
way service eight years ago and en-
joyed good health up to the hour of
his death. He was seventy-one years
of age and was a native of Moncton,
being a son of the late Mr. and Mrs.
Isaac Henderson, pioneer residents of
the Bend. Deceased had resided in
Moncton all his life and had been
many years in the railway's service.
He is survived by one son, G. Fred
Henderson, of the C. N. R. shops here,
and one daughter, Mrs. Frank E.
Trempe, of Somerville, Mass. One
sister, Mrs. J. T. Forbes, and a brother
William Henderson, merchant,
of Moncton, also survive. The late
Thomas E. Henderson, for many years
L. C. B. ticket agent at Moncton, was
a brother.

W. L. Barton.

William Irvine Barton, a popular
construction engineer, died early yes-
terday morning at his home, 170 Brit-
ain street, at the advanced age of 73
years. Nearly all his life he had re-
sided in the city, and before entering
the electric welding company was a
successful marine engineer. One
daughter, Mrs. H. A. B. Fallis, of this
city, and six sons are left to mourn.
The sons are Dr. James Herbert,
Frederick William and Robert Gar-
field, all of this city, and George, in
Seattle; J. C. Kenneth, in Calgary, and
Ray B. in Winnipeg. The funeral will
be held on Saturday afternoon at 2.30
from his late residence.

Charles McHugh.

The death of Charles McHugh, sec-
ond son of Patrick and Catherine Mc-
Hugh, occurred at his home, 181 Wat-
erloo street, yesterday morning, after
a short illness. Besides his parents,
he is survived by two sisters, Mrs. W.

F. Craig, of St. Andrews, and Miss
Stella, at home, and two brothers,
Harold and Frank, both at home.

Mrs. Henry Lowe.

Mrs. Henry Lowe, wife of Henry
Lowe, teamster in the city public
works department, died at her home,
81 Sheriff street, a little after one
o'clock yesterday afternoon. She was
sixty-two years of age.

Melbourne Hicks.

er days lived for a time in Amherst
and Moncton. He has lived in the
States since 1887. For some years
past he was a well known conductor
on the Santa Fe Railway. Deceased
was 6 years old.

Presentation To William McLean

Teachers of St. John Schools
Assembled Yesterday and
Showed Appreciation of
Ex-Inspector Who Was
Presented With Address
and Purse.

Yesterday afternoon at 4 p.m. the
teachers of the St. John schools met
in the Assembly Hall of the High
School where the various members of
the profession took the opportunity
of presenting Inspector McLean, who
has recently resigned, with an address
accompanied by a purse containing a
substantial sum. Principal W. J. S.
Myles read the address and made the
presentation. The address contained
a glowing tribute to the inspector
who for fifty years has devoted his
life to the teaching profession. Special
mention was made of the fact that
during the time he so ably filled the
position of inspector that teachers
looked with pleasure to his coming
visits and always received from him
the best advice regarding school mat-
ters. Inspector McLean's name was
mentioned as one of those most prom-
inent in advancing the interests of
those engaged in the profession as
evidenced by the part he played in
securing pensions for teachers. It
was pointed out that after fifty years
of service he held the admiration and
respect of all teachers in this part
of the province.

Inspector McLean in his reply dealt
with some of the leading questions of
the profession at the present day,
and in a very appropriate way thank-
ed his fellow workers for the appreci-
ation shown. Among others present
who spoke highly of the services ren-
dered by Inspector McLean were Dr.
H. S. Bridges and Mr. Owens.

The resignation of Inspector Mc-
Lean marks the passing of one of the
old guard from the teaching profes-
sion in New Brunswick. Sweeping
changes have taken place since In-
spector McLean commenced his work
over fifty years ago. The following
extract from the Education Review
gives some idea of public sentiment
at the present time. The Review edi-
torially says:
"Teachers in New York will next
year receive higher salaries than any
other teachers have ever known. The
minimum salary for elementary
teachers is \$1,500, the maximum for
grades, kindergarten to 6B, \$2,375,
and for grades 7 to 9, \$3,250. This
is an increase over 1919 of from \$600
to \$1,570. Class room teachers in
High Schools will receive from \$1,900
to \$2,700, an increase per teacher of
from \$1,000 to \$1,100. Elementary
principals begin with \$3,700 and in
five years reach \$4,750. High school
principals receive \$5,500 the first
year and in three years go to \$6,000.
In the city of Moncton the minimum
salary from the School Board was
last year raised to \$1,000, while the
male teachers in the High School
were raised to approximately \$2,800,
including Government grant. In view
of all this the male teachers are con-
stantly deserting the profession, be-
ing attracted by the higher remunera-
tion in other professions and in busi-
ness."

wedding of Sarah Lorena Keith and
Roy Ross Brown was solemnized at
the home of the bride's parents, Mr.
and Mrs. Roland Keith, Steve's Set-
tlement on Wednesday afternoon
June 16th, at three-thirty o'clock.
The ceremony was performed by
Rev. Abraham Perry, uncle of the bride,
in the presence of about fifty invited
guests. The parlor was tastefully
decorated for the occasion, the cou-
ple, who were unattended entered the
parlor to the strains of the wedding
march played by Mrs. Ross Brown
and stood beneath an arch of ever-
green and roses. The bride looked
very pretty in navy satin with
