

Early in the spring a bazaar to raise money for Mission purposes was held under the management of the ladies of the Society, which realized the handsome sum of \$230.91. A considerable portion of this sum was expended in the support of a Missionary, during the summer months, at Greenhead, a district about ten miles from the city, in the direction of Margaret's Bay. Mr. F. W. Thompson, a grade B teacher, who was the agent of the Society in this good work, taught a school on week days and held religious services on Sabbath and on week day evenings. His labors were much appreciated by the people, who had not had a school for some years. The good seed sown by Mr. Thompson in his family visitations and in the public and social meetings has, we have reason to believe, borne good fruit.

The Y. P. S. C. E. deserves the encouragement and support of all the members of our Church who desire the spiritual welfare of the young people of the congregation. It is the earnest prayer of the members that its usefulness may be much increased during the present year.

It may be added that at the suggestion of this Society a considerable amount was contributed by members of the congregation, in money and goods, for the benefit of the people of Labrador.
