 The Strathroy Dispatch says:—The provincial auditors have completed their work of auditing the town books. Some unimportant irregularities may have been observed as to methods of bookkeeping, and a few trifling errors in figures discovered that escaped the town auditors, and which might have been detected later on, and for this the town will have to put up about \$500.  
 A beaver found by Samuel Leech on his farm near Newbury over a year ago has been identified as one that lived on Pinafore Park, St. Thomas, seven years ago, and has been returned. The animal proved quite a profitable curiosity for Mr. Leech while he had it in his possession. Exact three thousand two hundred and seventy persons had visited his farm and viewed the animal last year, and in addition he was exhibited at Bothwell fair, for patriotic purposes, and was the means of raising nearly \$50.

**MINER PERISHES IN STORM**  
 Body of Duncan McRae, Former Glencoe Man, Found on Lone Trail in British Columbia  
 The Vancouver Daily Sun publishes the following despatch from Princeton, B. C., under date of March 5:—Wednesday afternoon the body of Duncan McRae was found near the trail leading to the McRae Brothers' mining camp on Kennedy Mountain, where it had lain just a month to a day. Diligent search had been made all over the country. Wednesday Chas. Bonnier and Gus. (Belts) Powells were searching along the trail and found the body. There was a snowstorm in the hills the day McRae was lost and he evidently became exhausted and died from exposure. He was found about 12 miles from Princeton and less than a mile from the camp.  
 The late Mr. McRae was 68 years of age, and was born at Glencoe, West Middlesex, Ontario. He came to British Columbia some 25 years ago, and was well known in the Kootenays and Similkameen. His brothers, Hugh and Dan, were interested with him in the Kennedy Mountain properties. His mother, who is 92 years of age, and two sisters reside in the East.  
 The body was brought to Princeton. There is keen regret over his untimely end, especially amongst the old-timers of the district who knew him so well.

**FAREWELL GATHERING**  
 Charles Nixon, who for the past few years has lived with his wife and daughter on the John L. McEachern farm in Ekfrid, moved last Tuesday to Alborough, where he has bought a farm. On Friday evening prior to their departure about thirty of their friends and neighbors gathered at their home to spend a social evening with them. During the evening Mr. and Mrs. Nixon were presented with a library table and Martha with a manure set. John B. McKellar acted as chairman. Mrs. John Strachan read the address and Ed. Tomlinson and Simpson Goff made the presentations. Short addresses were given by Duncan McAlpine, Walter Squire, James Raeburn, Roy Siddall and John Strachan, all expressing regret at the loss of such good neighbors.

**CLERGYMAN UNDER GUARD**  
 Ottawa, March 12.—Rev. Geo. Bousfield, a prominent Anglican clergyman of Eastview, near Ottawa, is the principal of one of the cases that has ever confronted the Dominion police for a solution. It is alleged that an attempt was made to coerce him at the point of a revolver to consent to being an accomplice in a proposed Bolshevik scheme to take the life of an unknown high Canadian government official, but the plot was frustrated in the nick of time. Officers of the Dominion police now guard Bousfield's residence night and day, keeping him under constant surveillance.  
 All efforts of the newspapers to obtain a statement from Bousfield have been foiled by the police, and Dominion Police Commissioner A. J. Cawdron, while admitting that the case has decidedly serious aspects, positively refuses to give the inside facts of the case.  
 School was closed Friday on account of Miss Ward attending the funeral of her grandmother at London.  
 Mrs. Anderson, London, is spending some time on the farm with her husband, George Anderson.  
 Mrs. Muirhead of Glencoe attended the sale of the estate of her late brother, Dan McD. The farm, 65 acres of pasture land, was sold to Wm. Werden of Brooke for \$3,200.  
 Mrs. Mary McLean and family and old neighbors attended the funeral of her brother, the late Archie McCahill of Alvinston.

**GLENCOE COUNCIL**  
 A special meeting of the Glencoe council was held in the council chamber on Friday, March 12. Members present—Reeve McPherson, Councilors Lumley, Davidson, Parrott and McCracken. The minutes of the last meeting were read and adopted.  
 The auditors, Dr. J. Y. McLachlan and J. G. Lethbridge, then gave their report of the audit of the books and accounts of the different departments of the village. Their report showed that they had completed a thorough audit of the books. A few interesting parts worthy of notice are:  
 Amount due public school, \$924.81; amount due high school, \$2,794.81.  
 Of this amount \$1,000 was paid the treasurer of the high school in February, 1920, leaving a balance now due of \$1,794.81.  
 The village debt has been reduced \$699.59 during 1919, making the net debt at the beginning of 1920 \$9,879.77. This will likely be the lowest that the village will have for many years to come, as the hydro-electric debt will be added to this during the current year.  
 The audit of the electric light accounts showed an increased expenditure over the previous year of about \$1,500.  
 The auditors prepared a statement of the yearly receipts and expenditures from the beginning of the plant in 1908 up to 1920 when the \$11,000 debentures will have matured and been paid. This statement shows a total deficit of \$9,645.89.  
 A number of the ratepayers and members of the Industrial Association attended the meeting to hear the report, and at the close of interesting discussions on different items a hearty vote of thanks was tendered the auditors.  
 On motion of Messrs. Lumley and Parrott, the auditors' report was accepted, and the clerk was instructed to issue an order in favor of the electric light commission for \$9,774.44, amount required to pay note matured March 12.  
 On motion of Messrs. Lumley and Davidson, the clerk was instructed to advise the county engineer, Charles Talbot, to order a car of from 6,000 to 7,000 gallons of road oil for Glencoe.  
 On motion of Messrs. Lumley and McCracken, a resolution was passed requiring the treasurer of each department to present to the council each month a financial statement, thereby keeping the council more in touch with the requirements of each department.  
**CHAS. GEORGE, Clerk.**

**INDUSTRIAL ASSOCIATION**  
 The annual meeting of the Glencoe Industrial Association will be held at the town hall on Thursday evening of this week at 8 o'clock. A full attendance of the citizens is asked for, as matters of special importance are to be dealt with.  
 While the report will not show that much has been accomplished during the period of the year, there is a substantial balance in the treasurer's hands, and now that we are in the days of reconstruction it is believed to be good opportunity to do some active work.

**NORTH EKFRID**  
 The funeral of the late Mrs. Philip Klemm was held on Saturday last at two o'clock. The services were conducted by Rev. H. D. McCulloch of the Presbyterian church, of which Mrs. Klemm was a member. Interment was made in the Longwood cemetery beside the body of Mr. Klemm, who predeceased her a number of years. She had been seriously ill for about two weeks. She was in her 86th year. She came from Germany to this country when a young woman, and died on the farm where she had lived for over fifty years. She was most hospitable, having a warm hand-clasp and a pleasant smile for everyone. She leaves to mourn her loss one daughter and three sons, Mrs. Wm. Webber of North Ekfrid, George and Joseph of Ekfrid and Henry of Metcalfe. To them we extend our heartfelt sympathy in the loss of a kind and loving mother. The pallbearers were her grandsons, Edward and Grant Klemm, Herbert and Wilfred Klemm, Clarence Klemm and James McCulloch.  
 Miss Pearl Pettit was visiting Miss Ada Howe a few days this week. Miss Howe had a birthday party Tuesday, with a quilting in the afternoon and games in the evening. A buffet lunch was served.  
 Service was held in the Presbyterian church Sunday. The church was closed four Sundays during the flu epidemic.
