

CARTER'S "Quite Content"

The finest Pea grown and winner of first prizes all over the world. Pods 7 1-2 inches long and well filled. This is an example of the superb vegetables grown from Carter's Tested Seeds.

All who are interested in flowers or vegetables, whether for market or home use, should know

CARTER'S TESTED SEEDS

Because of their long pedigree, careful selection and thorough testing and cleaning, these seeds are superior for every purpose. They are grown by James Carter & Co., who are seed growers to His Majesty King George V. They have only one standard of quality---the highest. You receive the same quality of seeds as supplied to the Royal Gardens of England---and they cost little if any more than inferior kinds.

Write for Catalog of Carter's Tested Seeds, containing descriptions, illustrations and prices in Canadian Money. Address Dept. E.

THE ONE PERFECT FLOOR VARNISH

Remember the name ELASTICA and be sure you get the genuine. There is only one Elastica, and that is made by The International Varnish Company.

The Executive's Private File

Every executive has papers which are of a private nature and which he desires to have kept apart from those in the "general" file. As well as his private papers there are numerous working records which he requires to have close at hand where they will be available for easy and quick reference at any moment.

HALF SECTIONS are especially designed to meet the demands of the business man who requires this convenience. They occupy but a small space 16 1/2"x17", and fit conveniently beside or close to the desk.

Office Specialty Half Sections embrace various combinations of filing spaces for the accommodation of every kind of business record. Folder No. 809, illustrating the complete line, will show you which sections would suit your needs best. Ask for your copy.
