

THE GOLDEN WEST

WESTERN CANADA is filled with gold,—the gold that comes from golden wheat. Thousands of farmers from the Western States are going into the new Canadian Provinces and are reaping rich rewards. An investment properly made in Western real estate—rural or urban—is sure. Farm lands and town sites—unlike the mines in which treasure may or may not lie concealed—carry their values on the surface. We have selected town lots and farm property. If you want a share in the riches of the prosperous West write us.
