President's Office
Kingston 25th March
1815

Sir,

I have received the directions of His Honor the President to transmit for your guidance the Extract of a Letter, addressed to His Honor by the Earl Bathurst, on the subject of Presents to the Indians. As those at Burlington have however so recently received a supply, His Honor would recommend a large Portion being reserved for Amherstburg, the Indians in the habit of coming in to that Post for presents.

I have the honor to be
Sir
Your most obedient
Humble Servant
