

receiving Annually in perpetuity, as a full consideration the Sum of £522.10 Province Currency

The third meeting with the Chippawon of the Rice Lake, was held at Smiths Creek, near the said Lake, when they also agreed to surrender to His Majesty, a Tract of Land, bordering on the before mentioned Lake & Water, belonging to them, & supposed to contain 1951200 Acres, for the yearly consideration in perpetuity of £740. Province Currency, reserving to themselves such Islands as may be found in any of the said Waters.

I am not able to report on the subject of the Rideaux Lands, until the course of the Winter, as the few Indians claiming that Country, will not be in from their hunting until then

I have, in behalf of His Majesty, entered into a Provisional Agreement, with the Chief & Principal men, inhabiting, and claiming the respective Tracts, for the mutual payment of the several Annuities, on their part, & in behalf of their several Nations & Tribes, here for the Surrender of the Lands alluded to, with
