re: H.H. McColman, F.C.A. Act,
S.E. 1-14-20-24 W. 4-N.,
Blackfoot Reserve.

I enclose notice of meeting of creditors at 52 Canada Life Building, Calgary on November 21, McColman's Statement of Affairs and proposal, also copy of letter to the Official Receiver following proof of debt, and copy of statement.

McColman values the farm at \$1600.00, yet he proposes to reduce the debt amounting to \$2,039.27 to \$1,800.00. It is considered that he should pay at least his own valuation of the farm, \$1,600.00.

Will you please attend the meeting. If McColman does not make a proposal which you consider satisfactory and would recommend, will you please make an appraisal and complete and return the enclosed appraisal report form.

D. J. Allan,
Superintendent,
Reserves and Trusts.
