Sir,  
I beg to enclose  
herewith a com-  
munication dated the  
20<sup>th</sup> ult from Mr. Wm  
Duncan of Courmay  
B.C. relative to rights  
in lands which he  
claims near that place,  
& also in regard to  
prevariances which  
he alleges he labors  
under in respect  
to Indians in the  
neighborhood of Courmay.

I have to state that Mr. Duncan  
has been informed, in regard to any question  
of right in connection with any land  
occupied by Indians, that the same will be  
determined by the laws of B.C.

With reference to the prevariances which he  
alleges he is laboring under, I am to request  
that you will make what remarks you  
may consider proper relative thereto &  
return Mr. Duncan's letter to this office
