ESTABLISHED 1861.

GREY COTTONS

In all the usual varieties.

FANCY SHIRTINGS AND CHECKED COTTONS.

These Goods have taken First Prizes in all the Canadian Exhibitions of 1882, and are acknowledged to be the best goods of their kind made in Canada. They will be found very durable, and are dyed in fast colors. They are fast taking the place of flannel shirtings, besides being used for many other purposes.

BALL KNITTING COTTONS.

This article has now been two years in use, and has entirely taken the place of American knitting cotton, being found to be of better quality and more carefully numbered, and dyed in brighter colors.

It is warranted to be of full weight.

Our goods are sold by us to the wholesale trade only, from whom country merchants and consumers can always obtain them, by asking specially for them.
