

**CHRONIC HUMOR CURED.**

Isaac Brown, Bothwell, Ont.—CHRONIC HUMOR IN THE BLOOD. Cured by 1 bottle. Says it was worth more than \$500 paid for other medicine.

George M. Nolan, Toronto, Canada.—CHRONIC ULCER ON LEG. Cured by 3 bottles.

**DYSPEPSIA CURED.**

What a prominent citizen of Leamington says :

Mr. JAMES MORE, a well-known resident of Leamington, says he was suffering from Dyspepsia for one year, during which time he was treated by the best medical aid possible to obtain, from which he obtained no relief. He finally tried Burdock Blood Bitters, and now declares that one bottle cured him. His wife had also been a sufferer from Chronic Dyspepsia for many years, and two bottles of the same medicine cured her. He says she would not be without it, and that he can conscientiously recommend Burdock Blood Bitters to all suffering from like cause.

**After Fifteen Years.**

T. MILBURN & Co., Toronto.

DEAR SIRS,—I had suffered for fifteen years with Dyspepsia, and tried with almost every known remedy to effect a cure, but without success. Last summer I grew so bad that I had given up all hopes of living, when a friend persuaded me to send to J. E. Kennedy's drug store in Cobourg, and procure a bottle of Burdock Blood Bitters. I did so, and the third day after I commenced using it I began to feel better, and before I had finished the first bottle I was able to be up and around at work, and after taking three bottles I was completely cured, and am now in better health than I had been for 20 years.

Before using your Bitters I would not have given ten cents for my chance of living, and now I am in the best of health, and you have my permission to publish this that others suffering as I was may read and be benefited.

A. BURNS, Blacksmith,  
Kingston Rd, 3 miles east of Cobourg.

**TORPID LIVER.**

Sept. 7th, 1885.

Messrs. T. MILBURN & Co.

I have used your Burdock Blood Bitters with the greatest satisfaction, for Constipation and Torpid Liver, for which I had tried several other remedies to no purpose. I now feel like a new man.

HARMAN L. LUTES,  
Lutes Mountain, N.B.

**KIDNEY COMPLAINT CURED.**

ST. ANNS, Victoria Co., N.S.

November 20th, 1883.

Messrs. T. MILBURN & Co., Toronto:

GENTLEMEN,—A friend of mine, one John Morrison, was so seriously affected with a disease of the Kidneys that marked symptoms of Dropsy were rapidly developing. He consulted several physicians but with little or no benefit, and himself and friends had concluded that death would soon end his sufferings. A month ago he was induced to try your Burdock Blood Bitters. The relief was instantaneous, and now, after using but a couple of bottles, he is daily at his work. I have never known any medicine to perform such an almost miraculous cure; indeed, were I not an eye-witness of the case I could not well believe such rapid recovery from so low a state possible. The case is much talked of in the neighborhood.

Yours, etc.,

D. J. McLEOD.

Parties interested may address John Morrison, care of D. J. McLeod, J.P., St. Anns, N.S., for further particulars in this case.

**MALCOLM, ONT.**

I have received more lasting benefit from your Burdock Blood Bitters than from any medicine I ever used. I may say that from being a skeptic I have become a confirmed believer in the efficacy of B. B. B. I had been troubled with Dyspepsia for years, and after taking two bottles there is not a symptom of it left, and I have a good appetite and feel in better health generally than I have felt for years.

I take pleasure in recommending it to my friends.

I am, yours faithfully,

DANIEL SULLIVAN.

From the *St. John, P.Q., News.*

**Among the Shakers.**

A correspondent of the *News and Advocate*, St. Johns, P.Q., writes that a former resident named Whittier, has been on a visit—all the way from Enfield, N.H. He reports that the Shakers at Enfield have fifteen acres in Burdock this season. We continue this article in the correspondent's own words—he says: "Won't there be a chance for us all to get a bottle of Burdock Blood Bitters? By the way, speaking of Blood Bitters, one of our neighbors, Daniel Aldrich, was sick almost unto death; we all thought he was booked for a through passage, by the Consumption route, but he has recovered and is in good health. He claims that two bottles of Burdock Bitters did the cure." This notice is neither solicited or paid for.
