

Our Paper.

LAST month added 558 more names to our subscription list. Keep it up.

DR. WITHROW knows a good thing when he sees it. In *Overaid*, he says, that Mr. Parr's expositions of the prayer meeting topics are alone worth the price of the paper.

MR. J. W. W. STEWART, Manager of the Imperial Life Assurance Co., in Vancouver, has sent twenty-five subscriptions from the Terminal City. This is a case of "I told you so."

REV. T. J. PARR, M.A., improved the opportunity presented by the Hamilton Conference, at St. Catharines, to gather up some subscriptions for "our paper." As a result he has sent in thirty-one names.

REV. S. E. MARSHALL, B.D., Hamilton, writes: "I am delighted to find the high standard and breezy, helpful tone of the first issue of your paper, so uniformly maintained in each successive number."

It will be seen by the statement printed below that quite a number of places have sent in second lists. Let this be attempted everywhere. There are always names to be gathered by a second or even a third gleaming.

OUR subscription is growing gradually and satisfactorily, but there are many Leagues which have done nothing as yet. Both Publisher and Editor are anxiously waiting to hear from them.

The following are some of the best lists received during the month of June:

Cobourg (2nd list) 18	Corbyville 8
Toronto, Gerrard	St. George 8

We have not been able to report accurately the lists sent in by the Leagues of cities and large towns where there are two or more churches, as it is impossible to ascertain from the mailing sheet what League the names belong to. A New Canadian Story
By LOTTIE McALISTER.
CLIPPED
... WINGS
 Paper, 40c
 Cloth, 60c

WE commend to our young people this new, bright, and strong story by a Canadian lady, wife of one of our ministers. This hearty, wholesome book should be in every one of our Sunday School libraries. Note these comments:

The Mail and Empire:—"The book is strong in many ways, and gives a fair insight into the difficulties and achievements of womanhood."

The Brantford Courier:—"The work is altogether out of the ordinary and is from first to last most fascinating."

Rev. Dr. Withrow:—"It is written with brilliant literary skill, with force and vivacity, with wit and humour, and with some touches of tragic pathos. It is a tremendous indictment of the liquor traffic. Some of the character sketching is as strong as anything we know."

The Life and Times

Jesus the Messiah

By ALFRED EDERSHEIM, M.A., Oxon., D.D., Ph.D.

Complete in One Volume, Unabridged, 8vo, Cloth
 1568 pages, \$1.25 net, Postpaid.

THIS work, formerly published at \$6.00 net, is printed from entirely new electrotype plates, and is in every way far superior to any other edition.

This is now the abridged edition advertised recently at about the same price, and part of which was not written by Dr. Eidersheim, but by others after his death, but the COMPLETE and UNABRIDGED "Life and Times of Jesus the Messiah," never before published in less than two volumes at \$2.00 per set, with the same matter, printed from the same plates as our former edition, with 1568 pages, and made no larger, and but three-eighths of an inch thicker than volume two of the former edition, because of the use of a quality of paper, almost that which is used in Bibles, and the printing being perfectly registered, thus ensuring a satisfactory degree of opaqueness, so that the print does not "show through" at all where there is any printing on the other side of the sheet. It is in every way not only a perfectly, but a beautifully made book.
