"AS LIBRARIAN AT WINDSOR CASTLE I could not undertake the task without first asking and obtaining the permission of Her Majesty. . . . Many little fables have from time to time grown up respecting the early life of Queen Victoria. It seemed therefore desirable to take this opportunity of correcting these inaccuracies, and with this object the Queen most graciously consented to supply notes on her childhood and youth, and at the same time to correct matters of fact, especially in reference to the period before her accession to the Throne, and more generally throughout the volume. I AM THEREFORE ENABLED TO PRESENT FOR THE FIRST TIME AN ACCURATE ACCOUNT OF THE CHILDHOOD AND YOUTH OF QUEEN VICTORIA."
