OUR
MANUAL OF EVERYTHING FOR THE GARDEN

Natural Size.

is this season the grandest ever issued, containing three colored plates and superb illustrations of everything that is new, useful and rare in Seeds and Plants, together with plain directions of "How to grow them," by PETER HENDERSON. This Manual, which is a book of 140 pages, we mail to any address on receipt of 25 cents (in stamps.) To all so remitting 25 cents for the Manual, we will, at the same time, send free by mail, in addition, their choice of any one of the following novelties, the price of either of which is 25 cents: One packet of the new Green and Gold Watermelon, or one packet of new Succession Cabbage, or one packet of new Zebra Zinnia, or one packet of Butterfly Fanny (see illustration), or one packet of new Mammoth Verbena, or one plant of the beautiful Moonflower, on the distinct understanding, however, that those ordering will state in what paper they saw this advertisement.

PETER HENDERSON & CO. 35 & 37 Cortlandt St.,
NEW YORK.

THE NEW REVERSIBLE
CORBIN DISK HARROW
NO. 30 BETTER THAN EVER.

THE CORBIN Harrow has a habit of leaving all competitors behind. The record shows that it led them all the past season.

But we are not content with merely whipping our competitors, we now proceed to beat our own record.

THE NO. 30 is a new Disk Harrow tested and perfected the past season. It turns the soil either toward the tongue or away from it. It is the only Disk Harrow that can be used in bopards and vineyards. It is also arranged so that one gang will run ahead of the other. The centre disks being only 5 inches apart, it leaves no centre ridge, and all the ground is cultivated. It is pronounced a grand improvement. See Mr. Weld's opinion, page 18, of January issue.

The farmers of Canada are learning that the CORBIN HARROW is a practical necessity on the farm. To those who are still unacquainted with its merits, we may say that it is strongly recommended by Prof. Wm. Brown, of Guelph, Mr. Wm. Weld, of the Advocate, and Mr. Thos. Shaw, of the Live Stock Journal.

We invite inquiry from thinking, thoroughgoing farmers. Full particulars by mail on application. Drop us a card.
