GOSSIP.

Mr. James Boden, manager of Mr. R. Reford's Tredinnock Farm and herd of Ayrshires, at St. Anne de Bellevue, Que., writes: "Our stock went out to pasture in splendid shape, as we had plenty of roots and ensilage up to the 1st of June. Pasture is very short here, as we just had two showers of rain since April. Hay will hardly be worth cutting. Oats look not bad, but will be very short unless we get rain very soon. Our roots look very well. We have 8 acres of turnips, 6 of mangels, 24 of carrots and 12 of corn, and 30 tons of hay, bought last winter and put in the barn at \$1.50 per ton. We have decided not to show this fall, as we have a lot of outside work that we want to get finished, so will sell all our young bulls, six in number, four of them sired by Napoleon, the sweepstake bull at Toronto, and their dams by Glencairn 3rd (imp.). Will also part with a few cows and heifers, as we have 66 on hand, with 26 to calve in August and September, so anyone wanting show cows should give us a call. Our stock won 34 prizes last fall at Toronto, London and Ottawa, 17 of them being firsts.

HOGS AT THE ROYAL COUNTIES SHOW.

There were short entries of every other variety but the Berkshires. In the section for boars over twelve months in this class, Mr. Edney Hayter's Highclere Topper came to the top as he had done at the previous shows of the season. Mr. Jefferson's Peel Swansea being placed 2nd. In boars under twelve months, Mr. E. Burbridge won first honors, and Mr. Benjafield's Manifesto, which had been first at Salisbury, was here placed second, and Mr. Swanwick had the reserve number. Judges have differed immensely over the senior breeding sow class this season. Mr. Arthur Hiscock's May Burton III. was placed first at Exeter, but at Salisbury the judge would scarcely look at her, but at Windsor she is reinstated as prima donna. Mr. Jefferson's deep, compact Peel Daisy being second to her, and the sows of the Earl of Carnarvon, Mr. J. A. Fricker, and Mr. Burbridge having to take subordinate positions. It will be interesting to see what will take place at the Royal. In the junior class for single breeding sows, Mr. G. T. Tompkin was first with a deep, full-shaped specimen, to which Mr. Jefferson's Peel Jessie was placed second, and the sow nearly as good as either, belonging to Mr. E. Burbridge, reserve. H.R.H. Prince Christian exhibited a fine, deep specimen, which was v. h. c., and a good sow of Mr. N. Benjafield's took honors. The young pairs of sows which the judges honored were very promising, which applies almost equally to Mr. Jefferson's first pen, the second one of Mr. E. Burbridge, and Mr. N. Benjafield's, which took reserve.

The Large Whites would have been only nine in number if all entries had been forthcoming, but Sir Gilbert Greenall's four were absent, consequently Mr. Sanders Spencer and Mr. F. Allmand had it quite to themselves. Holywell Gigas, the second winner at Exeter, was first boar, and Mr. Allmand's Jove had second premium. In the female class, Mr. Allmand's Wrexham Belle and Bessie II. were the winners, both well-known as fine, lengthy sows.

NOTICES.

Western Fair Literature.—Prize lists and other literature in connection with the Western Fair, to be held at London, Ont., on September 7th to 16th, are now being distributed. The prize list is described as the "New Model" of 1899, being a departure from the stereotyped style of the past, in which there were endless and needless repetitions when sections and prizes in classes are exactly alike, such, for instance, as in Jerseys, Ayrshires, Guernseys, Holsteins, Herefords, Red Angus, and Galloways, the printing of one class serves for the whole lot. Under each department the total amount of prize money offered is stated, also the names of the committee in charge, and over each class the name of the judge and the hour of judging. This year we note that there is an increase of \$1,580 in cash prizes, making a grand total of \$12,580 in cash, besides medals, ribbons and diplomas. A new, simple and comprehensive plan of entry form has been adopted. The Association has also issued an up-to-date map of Western Ontario, showing the Province as far east as Oshawa, including all the railways, cities, towns, villages, etc. On the map are also printed tabulated lists of places off the railway lines and railway stations.

The prize list of the Central Canada Fair, which is to be held at Ottawa for two weeks, commencing Sept. 11, is to hand, and shows special inducements to the farmer and live-stock raiser. The prize lists for live stock have been revised and augmented. In the horse department three new classes have been added. These classes are carriage drivers, single and double, and heavy draft horses, open to farmers only, and French Canadian horses. The special prizes for horses number twenty-eight, and include twenty-one of the magnificent gold medals annually given by the Fair Association.

Five gold medals and seven money prizes, one a \$50 purse, are offered in the seventeen classes of the cattle premium list. Moreover, there is a \$100 purse divided into prizes of \$50, \$30 and \$20 for a milk test open to all cows exhibited, and prizes of \$25 and \$15 for a test of milk of cows recorded in the book of the Holstein-Friesian Association of America.

A class for Canadian-bred Shropshire Down sheep has been added to the sheep prize list, and special money prizes offered in addition. The American Shropshire Registry Association also offer specials in the open Shropshire class.

The amounts of the premiums have been augmented in all the classes of poultry, and a special is offered for an exhibit of turkeys, geese and ducks.

The Central Canada Fair directors have always encouraged live-stock men, but this year their offerings to those classes of exhibitors are really munificent, and the accommodation for live stock at the Ottawa grounds is equal to any in America.

Live-stock men who have not yet exhibited at the Ottawa Fair should go there this year. Those who have shown at the Capital will be there again, for all say they have gained great benefit from exhibiting at the Ottawa Show.

Mr. Ed. McMahon, the secretary, writes that he will gladly forward a copy of the prize list to everybody desirous of obtaining one, on receipt of a post card.

AT SUMMER HILL IS THE LARGEST HERD OF....

IN THE DOMINION.

Imported Yorkshires

Large, Lengthy, English Type. Among them being the first choice of the most important prize-winning English herds.
