result of the unredressed grievances of British had before attained. Such an upward spring of serchants. On the 8th of Octobor the Chinese material wealth in a single year, is, we believe, nerconnerse and their career of arbitrary unprecedented. As a natural consequence, the violence by seizing a lorcha under British colrevenue is in a flourishing condition. The totence of the crew. It is quarterly return, which appeared yesterday, dated on good authority that they cut off the shows an increase of about £1,000,000 sterling. tated on gover of the crew. The Consul Mr. while the year realises £3,000,000 more than the heads of the British agent on the spot, proceeded preceding twelve months. Every department Parses, the board the lorcha, and afterwards endeaappears to be in a healthy condition in direct first on board an interview with the mandarand indirect taxation alike; every item shows On board the lorcha he was menaced, and an increase, with the single and insignificant mandarins refused to give any explanation exception of the "Miscellaneous." Combined with this handsome addition to the revenue, we are assured of a considerable decrease in the ex-

"The Consul immediately despatched intellisect of these events to Sir John Bowring, at penditure. At a dinner given to him by his Hong Kong, and also to Sir Michael Seymour. riends and neighbours in Forfarshire, Lord Pan Hong house on the spot, and reprisals were commure intimated that the Military Estimates alone menced in a mild form by the seizdre of a manfor this year would fall short of last by the very menced me would fail short of last by the very darin just, which Commodore the Hon. C. G. J. considerable sum of 20,000,000/. This state-Astin jame and solution of the Sybille, took and sent into Hong ment, however, requires explanation. The B. Meanwhile the Consul sent in a strong Military Estimates for last year, while war was still on the cards, ammounted to 34,000,monstrance to Yeb, the governor of the city. to which no answer was returned. Finding all 000l., but when peace was proclaimed that esimate was cut down at a stroke by 14,000,000l. his efforts vain Consul Parkes renounced further It is evidently with the first, and not with the stempts at conciliation, and a naval force soon econd estimate, that the War Minister compares the anticipated military expenditure of on the 18th of October, Sir Michael Sev he coming year. The actual saving will there-

sour despatched from Hong Kong the screw ore amount to six millions-a sum not to be decorrette Encounter, 14 guns, and the steamspised. The reductions in the Navy Estimates sloop Sampson, 6; for Wampoa, in the first inwill considerably increase this amount. One stance, with a large force of marines and blue proof of the lightened pressure upon the counisekets; and the steam sloop Barracouta follow try's resources is to be found in the fact that of ed with further detachments. Admiral Seymour himself then proceeded to Canton and undertook Chancellor of the Exchequer took power to the direction of the operations. The British and borrow, one million ouly has been received : other traders were officially warned of the posand an official intimation is given that the reture of affairs, and commercial transactions. maining three million will not be wanted " which for a week before had been little more than nominal, were suspended. Scotland, and is severely felt by the Nation of

"The river in front of Canton is rather broader than the Thames at London Bridge, but the depth of water does not exceed two fathoms. while the narrow pas-ages by which access in gained to it on the eastern side of the island of post mortem examination report :-----Wampos have a depth not exceeding a fathon and a balf. The city is externally guarded by fre lorts, of which two are on the land side and two on Pearl river. These were attacked and taken by our countrymen on the 24th of October. An attempt was then made by Admial Seymour to terminate the difficulty without further Bostilities, but the Chinese Governor would neither give satisfaction nor grant an in wiew to the British Commander.

"Admiral Seymour then determined to attack the sity itself. A wall, composed partly of sandstone and partly of brick, surrounds Canton; i about 30 feet high and 25 feet thick, and is mounted with cannon. Against this wall a fire ms opened on the 27th of October, and by the 19th a practicable breach had been opened, thro' which the troops entered. The Governor's palace, situate in the south-western part of the new city, was gained, but appears not to have proved a position worth holding, for the troop vere witherawn in the evening with a loss of

"A further attempt which was now made t negociate proved vain, and it was then resolved to attack the old, inner, or Mantchou portion o the city, divided from the southern by a high massive stone wall, and containing the garrison of Canton. This part of the city was bombard ed on the 3rd and 4th of November, and on the the Barracouta destroyed twenty three war junks. Another interval of reflection was then granted to the Chinese Governor, but at the date of the last accounts from Canton which had reached Hong Kong no signs of an accommodation were discernible.

The Anniversary of the Wesleyan Sabbath

tully maintains its efficiently and its numbers. Upwards of 680 scholars have been registered in four years—126 of whom were entered dur-ing the past year. There are 22 Female and 15 Male classes, and the commodious Lenture Room, 56 feet square, is already so crowded that five Female classes are obliged to occupy the aisles. Upwards of 1500 volumnes have been pur-chased within the last four years for the Library tully maintains its efficiently and its numbers. Isoac S. Taylor (195s, for B.R.—those bks. have arrived—expecting schr. to sail shortly -those and others will be sent), Geo. H. Brown (Mrs. E. B. commenced No. 351, therefore I am correct). Rev. W. Tomple
