Mireconsta.—Duting the week there has been legislating that into the County, or refugees from quite an inflating State, whose feelings however the neighboring State whose feelings however the neighboring State whose feelings however the neighboring State whose feelings however the stranger of strong they may have been for the success of strong they may have been for the success of the stranger of the strong state of th vauntingly proclaimed its speedy conquest; you marched to attack the enemy in his entrenchments; with well directed movements and death defying valor you charged upon him in his strong positions, drove him from field to field over a

and privation, the gallantry, with which you have entered into each successive battle, must have been witnessed to be fully appreciated; but a from Richmond state that Jeff. Davis has sent a from Richmond state that Jeff. Davis has sent a grateful people will not fail to recognize you and to bear you in loved remembrance. Well may the said of you, that you have "done enough for glory;" but duty to a suffering country and nition of the Southern Confederacy.—The de-

on Saturday, the oth inst, at which time an epagagement seemed imminent. The position of the contending forces gave currency to the belief that an action would not be long delayed. During Saturday and Sunday, however, matters remained quiet, and the fight that was so confidently anticipated as early as Friday afternoon with our certification of the contending forces gave currency to the belief the resources of all kinds. In a private note addressed by Jeff. Davis to Louis Napoleon himself, the rebel President reminds His Majesty of the fact that nine months ago, several cabinet councils were held in Paris with the special object of likewise the recognizing the recognizing the recognizing the recognizing the recognizing the recognizing the recognized that the contending forces gave currency to the belief in resources of all kinds. In a private note addressed bounty, Maine Regiments are rapidly filling up. It is reported four new regiments will be ready to march in two weeks.

850 more Federals released prisoners have araived at Fortress Monroe. Every attention had been paid them by the Confederates. General

disposition to put forward every exertion for the reduction of the Confederate capital. This fact, however, may now be regarded as beyond the range of probable events. An army like ours, flushed with successive victories, with the reinbrought that may easily be brought into the field, will present an insurmountable barrier to the "onward to Richmond" march of the Young Napoleon. Indeed, it is plausible to apprehend that the Northern army will find it no mean undertaking to save our capital within two months time. It can scarcely be expected that our gohave gained within the past few days through

nundred strong. After a sharp contest the enemy was routed and driven back through Holly Springs, which the Confederates occupied. Our loss was four killed, seven wounded; Yankee loss

and brought into camp; also, a farewell letter elegantly addressed to "Secesh," stating that boys. Bonaparte, in the great despairing camboys. the climate was too unhealthy to permit a longer stay, and promising another visit. The enemy are now in force at Legare's, but it is, supposed perish by the roadside or to die in hospitals. It that they are also moving off. The battery of Parrott guns near Secessionville, has been abandoned, and the guns removed.

It was a very simple earthwork, thrown up It was a very simple earthwork, thrown up off several hundred. Persons in office here are appeared in the husiness and are making hand.

with apparent haste, and by no means formidable. Their entrenchments were also very slight. Near the battery was found a painted board with | Condition of McClellan's Army.-A genthe following significant inscription: "Six miles from Charleston, 16 June, 1862. Five minutes army, and who is probable the only independent from Charleston, 16 June, 1862. Five minutes to —." Some are disposed to view this movement as the end of the Summer campaign, unless the enemy make some demonstration of an attack by sea. The defeat at Richmond, however, we are induced to believe will postpone such a movement for an indefinite period, if not effectually check it altogether. Several transports with the control of the present deplorable condition of McClellan's force. All the newspaper correspondents have been banished, and those who would not go voluntarily were arrested and sent check it altogether. Several transports with the control of the present deplorable condition of McClellan's force.
