Mr. C. W. DENNIS, Toronto, I have much pleasure in being able to state that after the trial being had, your Washer has proved satisfactory, and I would recommend it to every one as a necessary household appendage. When I first opened the box containing it as it came from the express office, I was very incredulous as to its effectiveness as a clothes cleaner, and pronounced it as a totally useless affair, but after the second trial, from being incredulous I became marvellous, being utterly astonished at the way in which but a simple thing could accomplish its work—and with what facility, the washing that required a full day to complete it now only taking a few hours.
