MUSIC & DRAMA

ANOTHER CAPACITY AUDIENCE AT GRIFFIN'S.

Only the seating capacity of the auditorium limited the size of the crowd that assembled at Griffin's Theatre last night to witness the performance of Field and Mayo's most amusing of farce comedies, "Twin Beds."

All the surrounding towns and villages were represented by numbers who came in touring cars and automobiles to enjoy a laugh, Napanea, Trenton, Deseronto, Tweed, Stirling, Foxboro and many other points in the surrounding district contributed their quota of visitors, thus emphasizing the fact that the sterling class of entertainment offered this season by the Griffin Amusement Company has a wide and popular appeal.

The cast in last night's presentation was unusually small, there being only seven members, but each was well adapted for the role assumed.

"Twin Beds" derives its power to amuse from unusually bright dialogue and a thousand ludicrous situations and complications in the matrimonial affairs of three young married couples.

Of the merits of the individual actors it is not necessary to speak any further than to say that the cast was very capable throughout.

MARY PICKFORD AT GRIFFIN'S TONIGHT.

Mary Pickford has scored her greatest triumphs on the screen in such productions of the Famous Players Film Company as "Madame Butterfly" and "Poor Little Peppina," in both of which she has assumed the role of a victim of circumstances. If "The Eternal Grind," which will be shown at Griffin's Opera House tonight and Thursday, however, Miss Pickford plays a totally different role, certain to become one of her most popular impersonations—the capable, undaunted, powerful personality which rises unflinchingly to meet every crisis in a life of hardship. She is a factory girl, one of whose sisters is a moral weakling and the other a chronic invalid. Against the grasping and brutal owner of the factory in which she is employed, against his vicious young son who victimizes her sister and against the terrible disease that is gradually crushing her other sister, the indomitable will of the resolute factory girl wages ceaseless warfare. It is by far the greatest character which Miss Pickford has presented on the screen and one in the ultimate triumph of which every real human heart will rejoice.

In addition to the above excellent five-part offering, the scream of the screen, Frank Daniels appears in "Mr. Jack goes into business," Pathé News with its interesting review of crispy news items will also be exhibited.

Hard and soft corns both yield to Holloway's Corn Cure, which is entirely safe to use, and certain and satisfactory in its action.

LADY TO REST.

The funeral of the late John H. Schryver took place from the residence of his daughter, of Sidney, Rev. E. C. Currie, officiating. Interment was in Belleville cemetery, the bearers being Messrs. T. Denyes, R. N. Vandervoort, F. Bell, Wm. Wilson, S. G. Sills and G. W. Sills. The obsequies were very largely attended.

Worms sap the strength and undermine the vitality of children. Strengthen them by using Mother Graves' Worm Exterminator to drive out the parasites.

ROBLIN'S MILLS FAIR WAS GREAT ATTRACTION SATURDAY

Third Largest Attendance in History of Exhibition—Strong Line of Exhibits in Nearly Every Department—Gate Receipts Well Over \$400—Ancient Fair Regaining Its Old-Time Popularity.

Roblin's Mills fair can point back with pride to more than sixty years of continuous useful existence. Sixty years make up a long period whether in the life of individuals and exhibitors. Needless to say Roblin's Mills fair has had its vicissitudes of fortune but through all the storm and the stress it has kept its sign out and the flag flying. A few years ago a succession of exhibition days in which the weather was anything but favorable nearly ran the ship upon the rocks but the gale was successfully weathered. And though last year torrents of rain greeted the patrons of the fair, yet this year the management came back stronger than ever and a kindly disposed weatherman smiled.

Mr. W. H. C. Roblin, the secretary, was a happy man when the Ontario representative found him in his office at the corner of the grounds after the crowd had gone and the money was counted. The gate receipts were \$421.39 he cheerfully asserted, and this record stood third highest in the history of the show. The ancient fair is certainly coming back into its own and will probably soon reach out after higher records to smash.

Entries were this year not quite so numerous as in one or two of the best years but were like the attendance—very satisfactory.

The horse exhibit was unusually extensive and in some departments exceptionally good. The fact that there were 23 entries in agricultural, 25 in general purpose and 44 in carriage will give some idea of the extent of the show.

This year the management introduced "trials of speed" and this afforded a little innocent "diversion" during the afternoon's program. This was open to farmers only and the result showed that the horses of the following gentlemen had won in the order named—

1, Sidney Manroe, 2 Cyrus Pine, 3 J. Latta.

More amusing than the speeding events was the "quick-hitch-up" in this contest the competitor was supposed to have his horse with halter on facing the buggy and harness lying on the ground by the horse's side. The winner must be the quickest to throw the harness over the steed, attach steed to the buggy and then make one run around the three-mile track after which the harness had again to be taken off and original position resumed. The competitors in this event won in the order named, 1 Ross Roblin, 2 C. R. Jackson, 3 Kenneth Weese.

The showing of cattle was also quite extensive and remarkably fine in quality. The expert judge, Mr. Richard Honey of Warkworth was very enthusiastic about "the high-class animals shown, particularly in the Ayrshires. The herds of Dr. Fife and Mr. W. H. C. Roblin were the best he had judged for years, said Mr. Honey. Some fine specimens of the Holstein breed were shown by A. E. Phillips and Phil. Rikely and individual animals of merit by Edgar Vance, A. H. Vancoot, and R. E. Redner, R. L. Vancoot, and R. E. Vance. A herd of excellent Short-horns was shown by C. L. Carnright. In grade cattle, of which there was a considerable number, the chief exhibitors were Thos. Wood and J. H. Snider.

In sheep all the leading breeds were represented and the animals uniformly of high grade. Those exhibiting were—Geo. P. Reid, Wesley Dawson, W. A. Martin, and Son, Walter Robinson, and D. H. Whitney.

The showing of swine was not quite so extensive but the various popular bacon-producing breeds were in evidence with some really meritorious animals. Among those exhibiting in this class were M. S. French, W. A. Martin, Thos. Wood and R. E. Vance.

Those taking part had every reason to view with satisfaction the fine poultry exhibit. The various classes were well filled and the birds shown were exceptionally good. The chief fanciers represented were E. S. Walte, C. L. McPaul, Dr. Fife and W. A. Martin.

In the palace nearly every department was well past the record established in other years. There was a larger display of field grains than we have seen at any other local fair this year. In winter wheat alone there were no less than 17 entries. Root crops had suffered from the unfavorable weather, but in apples and other fruits there was a wonderful display. The fine coloring and mammoth size of the apples seemed to challenge the assertion that the crop had been a failure this year in Prince Edward.

The showing of pastry and canned goods was also very extensive and the attractive appearance gave indication of high quality.

In the fancy work department there was also abundance of material to attract the interest of those who have an admiration for the things of beauty.

The automobile parties came from far and near to help swell the attendance. Among those on the fair grounds we noticed Messrs. Nelson Parliament, M.P.P., W. W. Anderson, Reeve of Ameliasburg, A. D. Foster, Bloomfield; Arnold M. Platt and A. E. Calnan of Picton and Maycroft, Ketcheson, Capt. E. D. O'Flynn, John Elliott, David Price, Burnham Mallory, Thos. E. Wilson, Stewart Masson, C. M. Stork, Dr. Clinton, D. Waters, G. W. Anderson, Bert McCoy and Tice Clare of Belleville.

Like all good fairs, the Roblin's Mills exhibition is organized and managed by a very capable and energetic group of officers who this year left no stone unturned to make the day pleasant and profitable for all. The officers for 1916 are—

Hon. Pres., W. W. Anderson, Reeve of Township of Ameliasburg.

Past Pres., C. C. Wannamaker, of Coesdon.

President, W. J. Barber, Rossmore.

1st Vice President, H. F. Delong, Carrying Place.

2nd Vice Pres., M. B. Weese, Rednersville.

Sec.-Treas., W. H. C. Roblin, Ameliasburg.

Directors, A. G. Roblin, Rednersville, Roy Williamson, Carrying Place, Wellington Howell, Rednersville; C. R. Parliament, Coesdon, Harry Redner, Rednersville, Frank Zufelt, Coesdon; Ernest Wallbridge, Rossmore, Harry Jose, Rossmore, C. Kemp, Coesdon; John A. Weese, of Rossmore, Auditors, James E. Glenn and H. G. Stafford.

The Rednersville Women's Institute performed a useful and much appreciated service by providing excellent meals for the crowds of nursery patrons at a very moderate price.

The list of prize-winners will appear in a later edition.

With the approval and sanction of the Honorable the Minister of Education, the Public and Separate Schools of the Province are being visited by the Field Secretary of the National Sanitarium Association, with a view to secure financial help for the Muskoka Free Hospital for Consumptives. All schools from Toronto this far east have been interviewed and the prospect appears good for a nice ingathering of small contributions by means of the Christmas Seal. The present hard times, resulting from the war, imposes upon the Free Consumptive Hospital the heaviest load it has ever carried, there being at present 283 patients in it, 246 of whom are indigent and pay nothing. To keep it going costs over \$10,000.00 per month, and since it is dependent upon charity, appeal for funds has to be made in every conceivable way.

The cause is worthy, the need is great, and doubtless nearly everybody will avail themselves of the Christmas Seal campaign as a means of contributing.

LAST ROUTE MARCH THURSDAY MORNING

On Thursday morning at 8.30 all battalions at Barrieffield Camp with the band of the 155th, pipe band of the 154th and the bugle bands will undertake a march from the camp to Kingston, parading through the principal streets in full marching order. This will be the last opportunity of seeing the troops en parade.

It was expected that perhaps Belleville would do something for the 155th for Thanksgiving but the people of Hastings have been so active that perhaps this was impossible. However, the 155th battalion were taken care of, and the gifts of the people were supplemented by \$100 from the battalion fund, and the store of the quartermaster was loaded with good things on Saturday and Sunday. The tables were nicely spread and the rich fruit piled in the center, and there was enough and more free in their praise of the work done for Thanksgiving day. — The Standard.

AT THE ALTAR

FITZPATRICK-O'DONOHUE.

One of Belleville's most popular young men, Mr. Frank Fitzpatrick of the Hotel Quinte office staff, joined the ranks of the benedicts today when he was married to a well-known young lady of Campbellford, Miss Mabel O'Donohue, daughter of Mr. Michael O'Donohue. The ceremony was performed at eight o'clock this morning by Rev. Father Whibbs at St. Mary's Church. Miss Jeannette O'Donohue sister of the bride, was bridesmaid and Mr. John Oliver, Toronto, of the Inland Revenue Department at Corbyville, did honors for the groom. During the service Miss Brady sang a solo and a duet was rendered by Mr. and Miss Brunelle of Campbellford.

After the nuptial mass, a wedding breakfast was given at the home of the bride's parents, following which Mr. and Mrs. Fitzpatrick motored to Belleville and took the flyer for points in the east, where they will spend their honeymoon. They will take up residence on Ann Street, Belleville.

The best wishes of a host of friends will be extended to the happy couple.

CHRISTMAS COMFORTS FOR BELLEVILLE BOYS OVERSEAS

The Red Cross and Women's Patriotic Association rooms over Adams' shoe store will be open for a week beginning Thursday, Oct. 12, from 2 to 6 to receive donations from the public, either money or from the following list, pipes, tobacco, cigarettes, chocolate, gum, candles, hard candy, ozo, prepared cocoa and coffee, sardines, pork and beans, playing cards and leather shoe laces. Bring in the addresses of the Belleville soldiers so each one will get a Christmas present from home. 011-41

W. C. A. ANNUAL MEETING

The thirty-seventh annual meeting of the Women's Christian Association was held yesterday in the city council chamber, many members being in attendance. The president, Mrs. (Judge) Deroche occupied the chair. The work of the year was detailed in the various reports read. There was an amazing amount of energy spent in the cause.

After the presentation of reports, the officers were elected.

CAUGHT THREE FINE LUNGE

Mr. F. Davey Diamond, Inspector of Weights and Measures and his son Clarke Diamond spent Saturday and Monday fishing on Hay Bay. They were fortunate in making the best catch of the season, securing one sixteen pound, one eighteen pound and one twenty pound lunge. Another large one was lost.

DESERONTO.

Mr. Alex. Therrien has purchased a car load of Western potatoes which arrived in town on Saturday.

The Misses Ella and Loretta Napelin left on Thursday for Toronto where they have accepted positions.

Pto. Mazurki, of the 155th Batt., Barrieffield, who was under suspicion because of his nationality, has been cleared of all charges and is at present in town bidding farewell to his many friends before going overseas with his battalion, his Deseronto friends all join in wishing him bon voyage and a safe return.

On Wednesday last Sept. 27th a large crowd of friends and neighbors gathered at the home of Mr. and Mrs. Alfred Woodcock to bid them a farewell before their departure for Toronto. Mr. Woodcock was presented with a god watch and Mrs. Woodcock was presented by a purse of money. They left for Toronto on Saturday.

The C. Y. M. C. gave a very enjoyable dance at their room on Thursday evening. Over sixty young people were present including Misses McNeil and Dwyer and Messrs. Paul and Thos. Blewett, Edward Burns, Paul Killoran and Harry Gleason all of Napanea, Miss Lourdes VanLoon Schonectaday, N.Y., and Mr. Ray Woods of Oswego and Mr. W. H. Davis, Detroit, as well as many from Marysville.—Post.

Cause of Asthma. No one can say with certainty exactly what causes the establishing of asthmatic conditions. Dust from the street, from flowers, from grain and various other irritants may set up a trouble impossible to eradicate except through a sure preparation such as Dr. J. D. Kellogg's Asthma Remedy. Uncertainty may exist as to cause, but there can be no uncertainty regarding a remedy which has freed a generation of asthmatic victims from this scourge of the bronchial tubes. It is sold everywhere.

OBITUARY

MRS. PHOEBE J. STEWART

The death occurred at an early hour this morning of Mrs. Phoebe Jane Stewart, widow of the late William Stewart, at the residence of her daughter, Mrs. J. F. Weese, 1st concession of Ameliasburg. Born in Rawdon in 1839, she had lived in Ameliasburg nearly twenty-five years. She was in religion a Baptist. Mrs. Stewart had been ill over a year. Those surviving are two sons—Wilbur Stewart and A. J. Stewart, both serving at the front and two daughters, Mrs. Wm. Hubble, Trenton and Mrs. J. F. Weese, Ameliasburg.

REV. WM. LEWIN

A former well-known and highly esteemed clergyman of this district, Rev. William Lewin, passed away on Saturday, Oct. 7, at the rectory of the Church of the Redemption, Philadelphia, Penn. Rev. Mr. Lewin was born in England and educated at Trinity College, Dublin, graduating with the degree of M.A. Shortly after graduation he came to Canada and for some years had charge of the Academy at Newburg, Ont. In 1863 he was ordained by the Bishop of Ontario and for seven years was missionary at Shannonville. In 1870 he was made Curate at Picton holding this for four years and then holding a mission at Marysville. His next charge was at Prescott, being rector of St. John's church there from 1874 to 1881. He was rural dean of Grenville from 1879 to 1881, in which year he retired and came to Kingston to live with friends. About two years ago he went to live with his son at Saskatoon, Sask. He was visiting a friend, Rev. Mr. Clay in Philadelphia, when the sudden illness came upon him due partly to the cold weather in that city. The late Rev. Mr. Lewin was a man of marked personal ability, noted for his generosity and kindness, and was much beloved by his flock in the different parishes in which he worked, all of whom will feel his loss very keenly. He is survived by one son Frank, engaged in business at Saskatoon, his wife having predeceased him some years ago.

Miller's Worm Powders act so thoroughly that stomachic and intestinal worms are literally ground up and pass from the child without being noticed and without inconvenience to the sufferer. They are painless and perfect in action, and at all times will be found a healthy medicine, strengthening the infantile stomach and maintaining it in vigorous operation, so that, besides being an effective vermifuge, they are tonical and health-giving in their effects.

Mr. Wm. Fitchett, formerly of town now residing on a farm near Stirling, is erecting a modern and commodious barn on his premises. The size of the building, which is L shaped, is 40 x 74 and 40 x 26.

Lieut.-Col. Macqueen, Provincial Inspector of Division Courts, paid an official visit to Tweed on Friday. The Colonel has the reputation of being an eloquent speaker, having addressed public gatherings in the large cities on different occasions and we believe that with a little effort he might be induced to lecture here at some future date. It would be well to keep his name in mind in this connection.

A few years ago several cider mills were operating in this district but from the enquiries to hand by people, strengthening the infantile stomach and maintaining it in vigorous operation, so that, besides being an effective vermifuge, they are tonical and health-giving in their effects.

Messrs. T. C. Thompson, William Thompson and "Ted" Wallace returned yesterday after a motor trip to Ottawa.

THE latest news of the town and surrounding neighborhood given in an interesting manner.

BUSY TRENTON

OUR Daily News Letter from this thriving town furnished by The Ontario's Special Correspondent.

TRENTON, Oct. 9, 1916.—Mr. Walter Couch and Eugene Lamore of the Overland garage, Cobourg, are visiting their homes over the holiday.

Mrs. (Chief) Morden spent the holiday with her daughter, Mrs. H. Mitchell in Belleville.

Mrs. Jno. Maunden, Lindsay, Ont. is the guest of her daughter, Mrs. W. House, Queen St.

Mr. J. St. Onge of Hamilton spent a short visit with town friends.

Ostrum—To Mr. and Mrs. Gordon Ostrum, of Winona, Minn., on Oct. 2nd, a son, Robert Gordon.

Monday was a busy day in Trenton, the excitement being the voting on the three by-laws, namely, Voting \$36,000 for the erection of a High School; 2nd, Vote a bonus of \$10,000 to a Film Factory and 3rd vote a bonus of \$10,000 to Cuff and Technic garment manufacturers, already of Trenton. The first bylaw, only, carried. On an even vote all would have been successful but a 2-3 vote is required to pass a by-law of this kind. The official figures from each ward on each bylaw is as follows:

High School
Ward ... 1 2 3 4 5 6 to 1
for ... 32 78 53 81 96 37 327
against ... 34 21 22 20 56 38 191

Film Factory
Ward ... 1 2 3 4 5 6 to 1
for ... 34 62 48 33 95 38 310
against ... 32 35 28 17 53 33 203

TWEED.
