Sanzone informed the police and told them he was going this morning, and they advised him load his wagon with bananas and to cover all with a tarpaulin. He was further advised to prepare a parcel of noney. Detectives Coulter, Bleakley and Sager climbed into the wagon and covered themselves with the tarpairlin, after which the trip was begun. When Sanzone reached the radial crossing about two miles west of the city, three men went out on the road and demanded \$1,000.

He handed over a bundle, which one of them took, and had a brief consultation with them, during which he gave the police a call.

They hurriedly scrambled out of the wagon, but the three men got a good start before they got free and set them a fast pace over the fields. The detectives pulled their revolvers and a few shots were fired over the heads of the Italians, who them gave themselves up. 1 When searched one had the package of money on him, and two had revolvers. THE FRUIT CROP.

OTTAWA, Sept. 7-The Department of Agriculture has issued the following fruit crop bulletin:-The long drought was relieved by heavy rainfall on the 16th that was general throughout Ontario and Quebec. In the Niagara district the storm was accompanied by hail, which did considerable damage to grapes, peaches and plams, particularly in the neighborhood of Grimsby. Several severe wind and hail storms visited southern and western Ontario. The loss to a few individual fruit growers was very heavy, but the aggregate crop will not be materially affected. Since the middle of the month apples have developed very steadily, though many varieties are undersized owing to the drought during June, July and the forepart of August. August. In Nova Scotia the summer has been exceptionally dry. The drought has of this month. Rains have fallen during the past week which have materrelieved the situation.

In Prince Edward Island the dry weather of June, July and the greater part of August has been followed by a British Columbia has had more rain than usual this season. The weather generally, has been favorable for fruit development.

Apples-Early, light; fall, light to medium; winter, medium or slightly less. Quality good, but sample slightly undersized. Pears-A light crop only is expected. Peaches-Early St. John and Craw fords, slightly above medium. Later varieties, medium to full crop, except Elbertas, which are below medium. Plums-Somewhat above the average crop is expected for later varieties.

Grapes-A full crop of excellent qual-

ity, except where damaged by hail. Cranberries-A medium cron. Blueberries-Fairly plentiful. Tomatoes-A medium to full crop eported generally. Insect and fungus diseases—Codling

moth and aphis somewhat more pre valent than usual. Apple scab and fungus diseases generally less pre-

FREDERICTON ALSO HAS PAVEMENT PROBLEMS

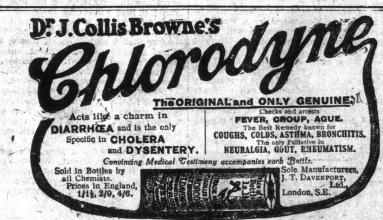

Aldermen Seem Suspicious of the Hassam Work But Decide to Make Payment-Assistant Engineer Appointed.

FREDERICTON, N. B., Sept. 8-On the casting vote of Mayor Chestnut, the city council last night decided on the motion of Ald. Winslow, to pay \$5,775.84 to Contractor R. S. Low in payment of the city's share of the Hassam pavement and concrete curb and gutter placed on Queen and Carleton streets at a cost of upwards of \$12,500. The balance of the cost is to be paid for by the Federal Government and, under a resolution, from this account there will be deducted an amount equal to the cost of the rock used by the con-tractor from the city's supply and the palance of the money will be held pending a satisfactory arrangement egarding the bond.

Ald. Calder's amendment on which he aldermen divided evenly, called for a special committee to investigate and report anstatement of City Engineer Grimmer as to the amount of done and the total cost of the city's share under the contract and for the committee to report back to a special meeting of the council.
