DR. HALSEY'S FOREST WINE.

FROM its rare merits and great worth, this Wine is fast becoming the favorite medicine in use in all parts of people. Disease at its worst will almost instantly yield to its influence. For Debility, Consumptive Diseases, Complaints of the Kidneys, Heart, Stomach, and Blood, in the Spring, arising from impure Blood and Weakness, it is the safest remedy in the World. Family heads are cautioned not to allow the use of it to be neglected.

Dr. L. S. STANLY, celebrated Physician, in a letter, dated New Prine, New Jersey, dated November 16, 1848, says, that from the experience he had never seen anything to compare with the Forest Wine and Pills, at the same time relating several cases of constitutional Debility and Scrofulous affections which it cured in an incredible short time. Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it in numerous instances, will be found the names of the celebrated Dr. M. Y. Gautier, Dr. S. L. Mott, Dr. L. Thomerson, Dr. Collins, Dr. William Brower, Dr. Prospect Wager, Dr. J. S. Morgan, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waverly Place, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do in as many years. In 1845, I became a victim of the Heart Disease and Nervous Affections, which have been growing on me ever since, until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that class under which nature sinks and life becomes a burthen." Seeing your Forest Wine advertised I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, which I did, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HAMPSTEAD, Dec. 1, 1847.

Dr. HALSEY:—A bottle of your Forest Wine and a box of Pills, which I procured of Mr. James Carr, (your Agent for this place,) has done wonders for me. I had been in a state of decline for more than a year, afflicted with a dreadful cough, pain in the breast, general debility, and loss of appetite. I became quite a skeleton, and had been unable to leave my room for two months; my friends told me I had the Consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I used, nor from any physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach a quantity of dark colored, nasty, and offensive matter, and my stools were perfectly black. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was almost well. I now enjoy better health than I ever did before, having increased twenty five pounds in seven weeks. Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues. Yours, respectfully,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Mussey, a respectable and well-known citizen of Cohoes, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was badly afflicted with Neuralgia, affections of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it for the good it others also may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted, with the above, or any similar diseases, may safely rely on its virtues.

Cohoes, March 8, 1850. E. G. MUSSEY.

More Testimony from Canada.

Dr. G. W. HALSEY:—DEAR SIR,—My wife has not known an hour's ease of body since her confinement, which was nearly three years ago, until she commenced using your Forest Wine. She was so weak and nervous, from the effects of her illness, that she could not walk across the room without assistance, and was confined to her bed most of the time. She had taken a number of bottles of various kinds of medicine, but found no relief from any of them. Hearing of your Forest Wine, I procured a bottle of it, which relieved her in a very short time to a great degree. She has now taken seven bottles, and is entirely relieved from all pain, and is able to do her own work. She has also gained in flesh, and is now in better health than she has been for years. I have also used your Forest Wine in my family with the most perfect success, and can recommend it to all who are afflicted with any disease of the Liver, Kidneys, Stomach, or Nervous System, as a safe and reliable medicine. Yours, &c.,

HENRY DONALDSON.

Cohoes, April 12, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with dreadful disorders, and considered incurable, may be seen at Dr. Halsey's principal Office. The following are some of them residing in this city:—

Mr. Asa S. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The most violent chill shook him to his very soul. Your Forest Wine, and it saved his case, and he was soon restored to health by the use of four bottles and a box of the Forest Pills.

Mr. Jacob Bell, Merchant, in Pearl Street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and a box of the Pills.

The remarkable efficacy of the Forest Wine is very striking in the case of the Hon. S. L. Brown, of Virginia, who was cured in five hours' time of a severe attack of Bilious Diarrhœa and general prostration of bodily energy. On the arrival of this gentleman in New York in March, he was so weak and nervous, from the effects of his illness, that he could not write, and required assistance to enable him to walk to his apartments. The Wine was sent for, and he received by the use of less than a bottle of the Wine not a single drop of the Pills. The Forest Wine and Pills are recommended as an efficient and certain cure in all the following complaints:—

Dyspepsia, Habitual Costiveness, Liver Complaint, Jaundice, Piles, Obstinate Headache, Bilious Disorders, Pimples, Blotches and unhealthy Color of the Skin, Jaundice, Ague and Fever, Salt Rheum, Erysipelas, Complaints incident only to Females, Languishing, Weakness, Irregularities, Nervous Disorders, General Ill Health and in general state of the Constitution.

Round him rush the people crying, 'Tell us all, oh, tell us true!
Where are they who went to battle, Randolph, Murray, dear to you?
Where are they, our brethren, children? Have they met the English foe?
Why are they alone, unfollowed? Is it weak, or is it woe?'

Like a corpse the grisly warrior looks from out his helm of steel;
But no word he speaks in answer, only with his armed heel
Chides his weary steed, and onward up the city streets doth wheel.

Fathers, sisters, mothers, children, shrieking, praying by his side
'By the God that made thee, Randolph! tell us what has befallen hath come?'
Then in lifts his riven banner, and the usher's voice is dumb.'

R. R. R.
THE PROPHECY FULFILLED.

IN the month of August, 1848, we promised to the world that we would produce a remedy that would instantly stop the most severe pangs of pain, and speedily cure every

PAIN KILLER,

that it was recommended to perform. In those words we fearlessly put forth the claims of our first born child to the favor of a generous public, and we are happy to say that it has not disappointed us in the high expectations we had formed of its usefulness. We will not attempt to enumerate the many cases of pain, that it has relieved, but will merely say that it has never failed in a single instance, when used according to the directions accompanying each bottle. We will not attempt to say that it will cure every case of pain in the human system, but will say that in Cramp and Pain in the Stomach, Sick Headache, Diarrhœa, Dysentery, Colic, Pain in the Side, Back, or Limbs, Rheumatism, Neuralgia, Toothache, Pain in the Face, Chilblains, Frosted Feet and Ears, and all Pains either internal or external, a single application of the Pain Killer according to the directions will in from fifteen minutes to twenty four hours, (in the most severe cases of pain,) cure the worst case, and in from fifteen minutes to two hours, in ninety-nine cases out of a hundred, entirely remove the most severe pain. In Bowel Complaints, Cholera Morbus, Dysentery, Diarrhœa, Cramp and Pain in the Stomach, Sour Stomach, Sick Headache, Nausea, Vomiting, Heartburn, Sick and Nervous Headache, Colic, Pain in the Side, Back, or Limbs, Rheumatism, Neuralgia, Toothache, Pain in the Face, Chilblains, Frosted Feet and Ears, and all pains either internal or external, a few drops of the Pain Killer in a little sweetened water will in a few minutes relieve the most excruciating pain, and in a few hours entirely cure the worst case. Not only will it cure pain, but in all cases where it is used for pain, it will invariably break up the disease with which the system is afflicted, and restore the patient to perfect health.

So with the sufferers of Neuralgia, Sick and Nervous Head-Ache, Chill Fever, Bilious Cramps, Spasmodic Cholera Morbus, and, in fact, all pains from a pain in the head to a pain in the toe, the Pain Killer is the only remedy that will relieve in a few minutes, and cure in a few hours.

Directions for using will accompany each bottle.

It is free from any deleterious article, and cannot, in any manner, injure the most delicate.

It does not disorder the *Life Shedder*, nor produce the burning, drying, parching sensations, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, thereby *Costiveness* and its attendant evils, but is a promoter of digestion, and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS,

LOCAL PAINS, &c., it has proved surprisingly successful, rarely failing to cure, even in the most desperate and long standing cases. (See Certificate.) In these cases, the application is to be made to the part affected, and then rubbing briskly, but reliably—not hard enough to hurt the patient, but sufficient to cause a warm feeling. After the rubbing an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC,

We believe it will never fail to speedily cure. It should be in a teaspoonful at a time, on sugar or molasses, or in sweetened water, the patient can take it best, and the stomach and bowels freely bathed. After it is filtered or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA,

Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case; where it has been early and faithfully applied. In Hindostan, where it proved so fatally fatal, it was found to yield to its remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the ablest first Physicians, and by the Press, on the East, as the surest remedy to be found.

As a dressing for *Cuts, Wounds, Bruises, &c.*; it is without a rival. As also in cases of *Burns, Scalds, Frozen, &c.*,—relieving the pain almost instantly, and healing without scar.

FOR TOOTHACHE,

It is, nine times out of ten, a *CURE*. We believe it will never fail, unless the tooth is decayed, if the tooth is hollow, saturate a little cotton and put it in the cavity. Hold in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen by calling at our office, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in use.

My premises have been infested with Rats for several years, and I have tried various means to rid myself of the annoyance, without success. Having been lately recommended SMITH'S EXTERMINATOR, I have much pleasure in testifying that its use has been perfectly successful in the total destruction of the Rats with which my place abounded, and that without the least inconvenience. Montreal, April 20, 1849.

From the Rev. B. Davis, D. D., Minister of the Baptist Church, Montreal.

I most willingly bear testimony to the good effects of SMITH'S EXTERMINATOR. I found my present dwelling infested with Beetles; the nuisance led me to use all efforts to abate it, until this preparation was applied. One Box has sufficed to entirely free the house from the annoyance, and I believe similar cases of success have occurred in my neighborhood. BENJ. DAVIS.
