O MARY, QUEEN OF MERCY.

Phere lived a knight, long years ago, Proud, curnal, vain, devolionless; Of God above or hell below, He took no thought, but undismay'd, Pursued his course of wickedness. His heart was rock; be never prayed To be forgiven for all his treasons; to be forgiven for all his tream. He only said, at certain seasons, "O Mary, Queen of Mercy!"

Years rolled, and found him still the sat Still draining pleasure's poison-bowl: Yet felt he now and then some shame; The torment of the Undying Worm At whites woke in his trembling soul; And then, though powerless to ref.

"O Mary, Queen of Mercy!"

A happier mind, a holier mood,
A purer spirit ruled him now;
No more in thrail to fiesh and blood,
He took a pligrim-staff in hand,
And, under a religious vow,
Travelled his way to Fommerian
There entered he an hunble clouter,
Exclaiming, while his eyes grow mot

Here, shorn and cowl'd, he laid his can Aside, and wrought for God alone. Albeit he sang no choral prayers, Nor matin hymn nor laud could le He mortified his fash to stone; For him no penance was too stern, And often prayed he on his lonely Cell-couch at night, but still said only, "O Mary, Queen of Mercy!" Failing Health. Ten years ago my health began to fall. I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervous-ness. I tried various remedies prescribed by different physicians, but became so weak that I could not go up stairs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever.—Mrs. E. L. Williams, Alexandria, Minn.

I have used Aver's Sarsaparilla, in my family, for Scrobula, and know, if it is taken faithfully, that it will thoroughly cradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, D. D. S., M. D., Greenville, Tenn.

Dyspepsia Cured. It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was under the care of various physicians and trick a great many kinds of medicines, but never obtained more than temporary relief. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duttes more perfectly. To-day my health is completely restored.—Mary Harley, Spring-Beld, Mass.

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla. It tones and invigorates the system, regulates the action of the digestive and assimilative organs, and vitalises the blood. It is, without doubt, the most reliable blood purifier yet discovered.—H. D. Johnson, 333 Atlantic ave., Brooklyn, N. Y. Ayer's Sarsaparilla,
