THE Burns Anniversary Concert in the Opera House, on Friday evening last was complete success. There was an immense audience and a splendid programme was presented and excellently rendered. The soloists were Miss Hyndman, Miss Moore, Miss Sullivan; Mr. J. R. Davison, Mr. W. McKay, Mr. C. Hermans, and Mr. R. M. Lamont. A duet was well given by the Misses Webster, and Messrs. Bruce, Cook, Lewis and Whear well sustained themselves in a quartette. The recitations of Miss McLean and Miss Mc-Kenzie were first-class. The instrumenta music was supplied by Mr. Vinnicombe's orchestra, always splendid, by Mr. Vinni-combe in a violin solo, and by Mr. C. P. Fletcher in a cornet solo. The accom paniments were played, for the most part, by Miss Fraser, Miss Palmer, Miss Sullivan and Mr. Blanchard. The dancing of "Gillie Callum," by Master McDonald, the six year old son of Mr. Daniel Mc-Donald, Vernon River Bridge, was simply marvellous, The audience stood up and heered the young dancer, and would not be quieted till he eame back and trippe with equal facility "Lord McDonald" reel." This was followed by another storm of applause. The singing was all of a high order and elicited well merited applause; but the manner in which Mr amont rendered his scotch song, so cap tivated the audience that they could not be subdued till he appeared again and sang another with equal success.
