A Popular Plan
as results already show
Many letters are arriving from widely-scattered sections of Canada and Newfoundland asking for copies of our Partial Payment Plan booklet. These bear out our belief from the start that the new plan would prove popular.
Some orders have been entered, but of course it's too early to expect more, as it's only during the past ten days that we have been sending out the booklet.
It is the strong interest as manifested in these letters that is especially gratifying, containing, as they do, assurances that our Partial Payment Plan is something the public really wanted.

ALWAYS MASTER OF THE ROAD.

Look for the Dunlop Traction Tread trail on asphalt and on mud. It's the "V" line to comfort. No chains; no skidding.
A WEATHERABLE TIRE.
It is just weather like we get here in Newfoundland that gives Dunlop Traction Tread Tires a chance to show their class—and motorists who have them know it.
[Created because of the insufficiency of the so-called non-slip or "buttoned" tread.
[Marketed only after the most exhaustive tests ever given to an anti-skid tire.
[Proven itself the only real anti-skid tire obtainable—bar none. That's
DUNLOP TRACTION TREAD,
