A Kind Message.

Mr. J. A. Farrell, President United States Steel Corporation, sent a wireless message yesterday to Mr. P. C. O'Driscoll, from on board the s.s. Lusitania, stating that he had authorized the United States Steel Products Co., through their President, Mr. E. P. Thomas, to donate \$500.00 towards the sealing disaster relief fund, also expressing his sympathy to the bereaved families. This was indeed a kindly and thoughtful act of Mr. Farrell when off the coast where these poor fellows met their death, and we feel sure will be highly appreciated.
