Uncle Sam granted a patent on the legs of this famous boot. It is the lightest, strongest and best-looking short, boot ever made. The "muscles" greatly strengthen the leg and at the same time keep the weight down. No other boot on the market has this "muscle" leg.

TOP NOTCH RUBBER FOOTWEAR

The wonderful boot shown above is only one member of the Top Notch family of rubber footwear that is just what its name implies—top notch in every way. Top Notch rubbers and aricae are the best-fitting, the best-looking and longest-lasting goods you can buy. We sell them.

His Excellency the Governor is in receipt of a cablegram from the Secretary of State for the Colonies, intimating that it has been decided that no women or children should be permitted to embark in ships travelling through any danger zones. This action is no doubt taken to limit the risks in connection with the present German Submarine Policy, and this Government will act in accordance with the decision of the Imperial Government. The Public are, therefore, warned that no women or children will be permitted to take passage in ships which will pass through any of the danger zones.
